**Job's Interview**

Ahmad gets ready for his job interview. He takes a shower. He shaves. He brushes his teeth. He cuts his fingernails. He combs his hair. He puts on the new suit he bought just for today. Ahmad feels confident. He is also very nervous. Here is why. Ahmad graduated at the top of his class in college. Still, Ahmad knows the economy is bad. His dad just lost his job at the bank a few weeks ago! Many people are interviewing for the very same job. There is a lot of competition. Ahmad is still positive. He thinks he has a good chance of getting the job at the technology company.

Ahmad arrives at his interview at 9:45. He is 15 minutes early. "Have a seat. Mr. Stone will be right with you," the receptionist says. Ahmad sits. He thinks about what he has learned to do in an interview. Look people in the eye. Give a firm handshake. Speak clearly. Ahmad feels ready. "Mr. Stone is ready to see you now," the receptionist says. Ahmad takes a deep breath and walks into Mr. Stone's office. "Good to meet you, sir," Ahmad says and gives Mr. Stone a firm handshake and a smile.
