The teaching methods in China is different from most countries. Students have more pressure
 _____are_____

from their parents and their teachers. Students has to do what their parents say, even if they do not
 _____have_____

want to. Most Chinese students have to do a lot of homework after school . Teachers pushes them
 hard
 _____push_____

to get a good score. In china , they believes that if you practice hard , you will get a higher score. It
 _____China_____believe_____

forces many student to give up their free time. They cannot even watch television as they do not have
 _____students_____

time.

Moreover , teachers do not smile or make any jokes in class. They usually does not allow

do

students to talk in class, even if it is related to the subject. To the students, the teachers are serious

and strange people. They admire them . At the same time , they are afraid of them. It is very difficult-

for many Chinese to imagine their teachers as regular people, they even forget that their teach

ers have families , children and do shopping like everyone else.

Q2: Choose one of the subjects below then write an essay about one of them /10

1. Write a contrast essay about the differences between reading a novel and watching a movie .Although both of them are written ,they have many differences between them .What are these differences ? which one do you prefer ?and why?

2. Write a narrative essay about (my parents were right).Honey ,don't do this. Oh my daughter , don't do that .Have you ever listen to these phrases? Did you disobey your parents ? Did you regret that ? why ? What did you do ?and have you learned something from that experience?
