A Typical Day in Ahmad's Life

My alarm clock rings at seven o'clock every morning , I jump out of bed and do physical exercises for ten minutes ,then take a shower . After my shower , I shave and brush my teeth . Next, I comb my hair , wash my face again. After that , I get dressed, and then I eat breakfast . For breakfast, I usually have grapefruit juice, scrambled eggs, toast , and coffee. After breakfast , I sometimes listen to the news on the radio at 8:00 A.M., I put on my coat, and I leave for school.

I generally go to school by subway. The subway is always crowded, and I don't often get a seat . in the subway, on my way to school, I look at the signs on the walls, watch the faces of the other passengers, and read the newspaper headlines over someone's shoulder. It takes me about half an hour to get to school. My first class begins at nine o'clock, and my last class ends at three. After school hours, I sometimes go to the student center or to a coffee house with my friends for an hour or so . Afterwards, I go home.

As soon as I get home from school , I do my homework and study my lessons for the next day . At seven o'clock I eat dinner with my brother . Then I watch television for an hour or two , read or work on my stamp collection . Sometimes I take a walk in the evening , or visit a friend . I usually get home by midnight because I am tired . I get into bed, and fall asleep immediately.
