Academic Qualifications

- 2013 PhD. in Petroleum Engineering, King Fahd University of Petroleum & Minerals, Dhahran, KSA.
- 2008 M.S. in Petroleum Engineering, King Fahd University of Petroleum & Minerals, Dhahran, KSA.
- 1997 B.S. in Petroleum Engineering (1st Honor), Baghdad University, College of Engineering, Baghdad, Iraq.

Professional Experience

Academic:

- 2008 - 2013 (1) Lecturer, Department of Petroleum Engineering, KFUPM, KSA
- 2003-2008: (2) Graduate Assistant, Department of Petroleum Engineering, KFUPM, KSA

Courses Taught

- 2008-Date: Reservoir Simulation Lab – Schlumberger simulator, Eclipse
CMG simulator.

Industrial:

- 1997: (1) Cooperative Program with Iraqi North Oil Company in the Water Flooding Divisions, Petroleum Engineering Department.
- (2) Summer Program for Petroleum Engineering Graduates, Reservoir Engineering Division, Petroleum Engineering Department, Ministry of Oil, Baghdad, Iraq.
- 1997: (3) Cooperative Program with Yemeni Oil Company in the Production Plants Units CPU & KPU, Mareb, Yemen.
- 1997-1999: (4) Petroleum Engineer at Yemeni Petroleum Exploration and Production Authority, Ministry of Oil, Sana'a, Yemen.

Research:

- 2008 M.Sc. Thesis "PVT Data Quality Control"
- 2012 PhD. Dissertation "Optimization of Drilling Parameters using Drilling Specific Energy in Real Time"

Area of interest:

- 1-Drilling Optimization
- 2- Reservoir Simulation
- 3- Well Testing
- 4- Well Logging
- 5- Artificial Intelligent applications in Petroleum Engineering
