- Final Exam **40%**, due week 17.

### **COURSE POLICIES:**

#### **- Instructional Methodology**

Lectures, students presentation, small group exercise at a class site will be utilized. Additional instructional methods include exercise, assignments, and examination.

#### **- Attendance**

Students are expected to attend each session AND be on time. Five percent of the overall course grade depends on Class Participation. Therefore, regular attendance is critical for doing well in this course. If you are absent in the class, make arrangements to obtain the notes from another students. Additionally, each student will be responsible for signing her name ONLY. if a student signs in for another, neither student will receive credit for that day.

#### **- Conduct & Responsibilities**

It is the student's responsibility to maintain professional standards of behavior and attire while on campus. Students are expected to be prepared for instructional activities. They must be bring required supplies/equipment and dress appropriately in accordance with instructor's directions. Failure to do so can result in the students being marked for absent for the class session. Any disruptive activity (e.g. use of cell phones, side conversations) in the classroom is prohibited. If the instructor required a disruptive students to leave the classroom, the student remains responsible for all the information and will be marked absent for the class session. The dean will impose sanctions for unprofessional behavior. Any form of cheating, fraud, plagiarism, or unauthorized collaboration will result in failure of the course and referral to the dean for disciplinary sanctions.

#### **-Pons Marks**

(only TWO marks) will be given at the end of course as needed.
