Tel: +9665555451957

OBJECTIVE

A position within the microbiology and immunology or related fields which offers a high level of challenge, responsibility, and the opportunity for continued career growth.

HIGHLIGHTS OF QUALIFICATIONS

- Has an excellent combination of education and experience.
- Strong background in many areas including laboratory procedures, specimen analysis, specimen processing, records maintenance, and quality assurance.
- Hard working, driven, and dedicated, while skilled in all many aspects of microbiology work, and familiar with microbiology practices, standards, and protocols.
- Has worked in various laboratory environments, works well as a team member, can handle many tasks simultaneously, and has excellent attention to detail.
- Knowledge of computers, working with Word, the Internet, and other systems.
- Results-oriented, with an ability to see any assignment to successful completion.
- Excellent organizational, communication, and people skills.
- Thrives in a busy, fast-paced working environment.
- Bilingual, speaking English and Arabic fluently.

PROFESSIONAL EXPERIENCE

2015 –Present **Member of Internship Committee, Clinical Laboratory Sciences, KSU**

2015 –Present **Member in Saudi Society for Clinical Laboratory Sciences**

2015 -Present **Lecturer**
Clinical Laboratory Sciences Department, College of Applied Medical Sciences, KSU
· Prepared lectures focusing on medical microbiology and Immunology

2011 -2014 **Demonstrator**
Clinical Laboratory Sciences, College of Applied Medical Sciences, KSU
· Demonstrated to undergraduates around sample analysis, staining techniques, microbes identification in clinical microbiology labs

2009 -2010 **Internship at King Faisal Specialist Hospital & Research Centre**

Served one month in each clinical lab department. Responsible for overseeing and analyzing samples, maintaining lab records and materials, maintaining lab documentation, quality assurance, and handling a wide variety of special projects.
· Was exposed to virtually all day to day laboratory procedures.
· Trained in various laboratory environments.
· Ensured the proper and accurate processing of samples.

2015 –Present **Member of Internship Committee, Clinical Laboratory Sciences, KSU**

2016 –Present **Member in Saudi Society for Clinical Laboratory Sciences**

2017 **Research Assistant at Harvard Medical School**
Immunology research program, Research building at Boston Children Hospital

EDUCATION

- 2015 King Saud University, Clinical Laboratory Sciences, Riyadh, Saudi Arabia
Degree of Master of Sciences in Clinical Laboratory
Thesis Title: Molecular Detection and Sero-prevalence of Toxoplasmosis
in Riyadh Region community of Saudi Arabia
GPA: 4.93 /5 – Excellence with honors
- 2010 King Saud University, Clinical Laboratory Sciences, Riyadh, Saudi Arabia
Bachelor Degree in Clinical Laboratory Sciences
GPA: 4.72 /5 – Graduated with honors

Training Program and Conferences

- 2017 The 2017 Harvard Immunology Summer Research Program, Boston, MA, USA
- 2017 Advance Course in Immunology by the American Association of Immunologists, Boston, MA, USA
- 2017 The fourth annual Evergrande Symposium on immunity and inflammation, Boston, MA, USA
- 2017 Developing effective research proposals, Riyadh KSA
- 2017 Program in Publishing and Disseminating, Riyadh KSA
- 2017 Academic Misconduct (Plagiarism), Riyadh KSA
- 2017 Rights and Duties of Faculty Members, Riyadh KSA
- 2016 Clinical Molecular Genetics Pathology training workshop, Riyadh KSA
- 2016 Infographics workshop, Asia center for educational consulting, Riyadh KSA
- 2014 Program in Creative Teaching Skills, Riyadh KSA
- 2014 Arab Health -MED LAB- Conference, Dubai UAE
- 2013 Program of course design and construction, Riyadh KSA
- 2012 Workshop of course Specification: A tool for quality teaching & Learning, Riyadh KSA
- 2010 Workshop in Ethics of Medical Genetics: Issues and Approach, Riyadh KSA
- 2009 Program in Achieving Service Excellence, Riyadh KSA
- 2007 Annual Summer Training Program_KING ABDULAZIZ MEDICAL, Riyadh, Saudi Arabia
