PROFISSIONAL EXPERIENCE:

King Saud University	08/2014-
Teaching Assistant in the department of Civil Engineering	present
Bombardier Transportation, ON, Canada	06/2013-
Civil engineering trainee. Worked for three months.	09-2013

EDUCATION:

King Saud University	
BSc in Civil engineering, Transportation and Construction engineering and management track. Has a GPA of.	2009-2014
Alseddique secondary school	
High school degree in science with final grade of.	2006-2009

PROFESSIONAL DEVELOPMENT:

Attended the Global Engineering Conference, Panama City, Panama	2014
PMP training course, computer center & skills development, KSU	2014
Six Sigma Green belt, computer center & skills development, KSU	2014
SPSS, computer center & skills development, KSU	2014
MATLAB training course, computer center & skills development, KSU	2013
Cambridge international certificate for IT skills, computer center & skills development, KSU	2013
English language summer program, Tamwood international college, Vancouver, Canada. Two summers	2007, 2008
