Everyday English

I usually get up at a quarter past seven - that's seven fifteen in the morning. I have breakfast at eight o'clock and then take the bus to work at half past eight. I usually arrive at work at a quarter to nine. Sometimes, the bus is late and I arrive at about nine. My morning is usually pretty busy and I like taking a coffee break at twenty to eleven if possible. I then work to lunchtime at noon. In the afternoon, I usually have another break at three fifteen. I usually finish work at a quarter to five and arrive home around six in the evening. At night, I usually go to bed at eleven o'clock.
