College of Applied Medical Sciences
Community Health Sciences Department
Health education Program

Course name: environmental health sciences CHS 371

Assignment

Write a reaction (response) paper based on the documentary (before the floods)

Students will be graded on the Following criteria:

Area	Grade
1. Introduction to your paper	1
2. Evaluate the documentary (body)	3
3. Conclusion	2
4. Word count (1000 to 1500 words)	1
5. Spelling	1
6. Grammar	1
7. Overall writing skills (wording, editing, punctuation marks... etc.)	1
Total	10

Note: delaying on paper submission dead-line will cause decrease in your overall mark (.25 each day- maximum 2 marks)

Submission date: 17-12-2017 by 4 p.m.

Tips in writing a documentary reaction paper:

1. Determine the elements to discuss
2. Create an outline
3. Take notes while watching the documentary
