Personal data

Name: Fadwa Obaid Sulaiman Alshareef
Home Address: P.O.Box: 65429, Riyadh 11556
Saudi Arabia
Mobile Number: +966-555214855
Email: fadoalshareef@gmail.com

Work Address: College of Applied Medical of Science
Department of Clinical Laboratory Sciences
Riyadh, Saudi Arabia
Tel: +966-4355010

Education and Qualifications

2009 – 2013
Ph.D. Microbiology (Mycology)
Manchester University, Manchester, UK
Life sciences
Title of thesis “Genetic and virulence variation of the population of environmental and clinical isolates of The Pathogen *Aspergillus fumigatus*”

1997 - 2001
M. Sc., in medical laboratory sciences (G.P.A courses 4.6/5),
King Saud University, Riyadh, Saudi Arabia
College of applied medical sciences,
Title of the thesis "Purification And Characterization of the Broth Cultural Filtrate Antigen of the Pathogen *Madurella mycetomatis* "

1990 - 1995
B. Sc., in applied medical sciences, field of Clinical Laboratory Sciences, (G.P.A of 4.41/5), with a second class honor,
College of Applied Medical Sciences
King Saud University, Riyadh, Saudi Arabia

Training Courses:

1996	Internship for one year at King Khalid University Hospital (KKUH) in different departments of Clinical Laboratory. Period: one year
1997	Two year training at King Khalid University Hospital (KKUH) in the mycology section under supervision of Head of the Department <i>Dr. Saleh al Hedaithy</i>
Sept. 2000	One month as a trainee in the DNA Repair and Cell Cycle Control Unit at King Faisal Specialist Hospital and Research Center (KFSH & RC).

2001 Two weeks training in Medical Microbiology Laboratory at King Faisal Specialist Hospital and Research Center (KFSH & RC).

19-23 March 2012

Course in Diagnostic Medical Mycology
British Society for Medical Mycology, Leeds, UK

Work experiences:

2002 - 2008

Lecturer, the College of applied medical sciences (CAMS)

- Medical mycology lectures and practical
- Medical parasitology lectures and practical
- Medical bacteriology lectures and practical
- Medical mycology for diploma students
- Independence study for graduate students
- Introduction to microbiology lectures and practical

Additional duties:

- Medical terminology lecturer at King Khalid University Hospital.
- Internship Coordinator for Clinical Laboratory Sciences Department.
- Coordinator of internship committee at the College of Applied Medical Sciences for one year 2004.
- Member in the Internship Committee.
- Coordinator of Academic Affairs for Registration (pre-specialization) 2004-2005.
- Member of the Examination Committee.
- Member of the Employment committee for the demonstrator, specialist and Master applicant.

1998 - 2001

Demonstrator, the College of Applied Medical Sciences

Department of Clinical Laboratory Sciences in Microbiology Section.

- Introduction to Microbiology
- Immunology
- Mycology
- Parasitology
- Clinical Biochemistry (for one year only)
- Demonstration of gel electrophoresis and gel filtration, Clinical Microbiology
- Teaching Postgraduate course in Clinical Microbiology, and Mycology
- Teaching Postgraduate course in Advanced Medical Microbiology
- Gel electrophoresis for Master students (one semester only)

International Symposiums and Seminars Participation

- The (Forth) Saudi Scientific Conference in the UK, held at Manchester University, July 2010 (Poster)

- 2012, 5th advances Against Aspergillosis conference-January. (oral presentation).
- Participate in the 18th Congress of the International Society for Human and Animal Mycology (ISHAM), 11-15 June 2012, Berlin, Germany.(Two Oral presentation).

Seminars, Symposiums, Workshops and sciences meeting:

1996	Symposium on Recent Advances in Medical Microbiology and Infectious Diseases, Riyadh, Saudi Arabia
1999	Introduction of Basic Molecular Biology Technology Workshop.
1999	Workshop of the use of Laboratory Animals in Biomedical Research
2000	Infectious Disease Meeting (monthly), Riyadh, Saudi Arabia
2002	Symposium (Update on Antibiotic use)
2006	Clinical Education Workshop for Faculty
2007	Attendance "Mycology Master Class for Immunocompromised patient" held in Australia at Hamilton Queensland Island.
2008	Attendance of the second annual meeting of the Saudi Society of Medical Microbiology and Infectious Disease. 19 th -20 th January 2008. This activity has been awarded 12 CME hours by the Saudi Commission for Health Specialists.
2008	Pathology Update 2008, International symposium on Laboratory Medicine 9-12 March 2008, Awarded 25 CME hours by the Saudi Commission for Health Specialists.
Oct. 2011	Host Fungal Interactions: Pathogenicity versus Immunity Institute of Biomedical Science, London, UK

Membership

- Member of the International Society for Human and Animal Mycology (ISHAM).
- Member of the Saudi Society of Medical Microbiology and Infectious Disease.
