

## **Personal Information**

- **Name:** Bader Obaid Al-mutairi.
- **Position:** Assistant professor of cancer epigenetics, Zoology department, Faculty of science, King Saud university.
- **Address:**  
King Saud University - College of Science (Bldg. 5)  
Zoology department  
P.O. Box 2455  
Riyadh 11451  
Saudi Arabia
- **Phone Number:** 00966-552668778.
- **Email Address:** [bomotairi@ksu.edu.sa](mailto:bomotairi@ksu.edu.sa).
- **Nationality:** Saudi.

## **Academic Qualifications**

**PhD in cancer epigenetics**, Cellular and Molecular Medicine department, faculty of Biomedical sciences, Bristol university (2018).

**Master of science in Medical molecular biology with genetics,** Biological sciences department, faculty of Natural sciences, Bangor university (2011).

**Bachelor of science,** Zoology department, faculty of science, King Saud university (2007).

## **Career History**

**Teaching assistant,** Zoology department, faculty of science, king Saud university 2008-2012.

**Lecturer,** Zoology department, faculty of science, king Saud university 2012- 2018.

**Assistant professor,** Zoology department, faculty of science, king Saud university 2018-present.

**Director of technical affairs unit,** faculty of science, King Saud University 2019- present.

## **Administrative duties**

Member of zoology department board 2018- present.

Member of curriculum development committee 2018- present.

## **Awards**

**Second Class Honor** in bachelor degree, zoology department, faculty of sciences, king Saud university 2007.

**Cultural Attaché Award** (Award for Excellence) for the academic year 2014/2015 in United Kingdom.

**Cultural Attaché Award** (Award for Excellence) for the academic year 2015/2016 in United Kingdom.

**Cultural Attaché Award** (Award for Excellence) for the academic year 2016/2017 in United Kingdom.

## **Conferences and symposiums**

**Attendance**, 8<sup>th</sup> mammalian genes development and diseases, Bristol, United Kingdom (2014).

**Participation**, 8<sup>th</sup> Saudi Students' conference, London, United Kingdom (2015).

**Participation**, 4<sup>th</sup> Neuroblastoma Research Symposium, Newcastle, United Kingdom (2015).

**Participation**, 9<sup>th</sup> Saudi Students' conference, Birmingham, United Kingdom (2016).

**Participation**, CMM away day, Bristol, United Kingdom (2016).

## **Training and workshops**

- 1- Course design, Assessment and Delivery (4 hours).
- 2- Improving Student Motivation (4 hours).
- 3- Basic of academic leadership (10 hours).
- 4- Design and construction of the course (9 hours).
- 5- Course on effective teaching (12 hours).
- 6- Evaluating learning outcomes (9 hours).
- 7- Micro teaching (4 hours).

## **Certifications**

Awarded from Saudi students' club (Term 36) upon contribution of organizing football tournament (2016).

Awarded from Islamic Society upon participating in charity week (2017).

## **Publication**

**Genome-wide DNA methylation analysis identifies *MEGF10* as a novel epigenetically repressed candidate tumor suppressor gene in neuroblastom.**  
Jessica Charlet, Ayumi Tomari, Anthony R, Dallosso, Marianna Szemes, Martina Kaselova, Thomas J. Curry, **Bader Almutairi**, Heather C, Etchevers Carmel McConville, Karim T. A. Malik Keith W. Brown (2016).

**2019**
