## PERSONAL INFORMATION

---

- Marital status: Married
- Nationality: Yemeni
- Date of Birth: 04/04/1987
- Place of Birth: Hadhramout - Yemen

## OBJECTIVE

---

To become an excellent researcher in Civil Engineering, greater challenges and more responsibilities in an academic field, to apply the knowledge attained from my study to experience and widen it.

## EDUCATION

---

- 2004 Graduate from Al- Masmoom High School Yemen  
High School by very good grade (81.50).
- 2010 Graduate from Hadhramout University Yemen  
Bachelor of Civil Engineering by very good grade (84.84).
- 2017 Graduate from King Saud University Saudi Arabia  
M.Sc. degree in Transportation Engineering by excellent grade (4.84) with first class honor.

## CERTIFICATE OF COURSE COMPLETION

---

- Project Management Professional (PMA) Course - Orbits High Institute for Training (2014).
- Training Workshop (ANSYS)- Advanced Manufacturing Institute (2014).
- PRIMAVERA 6 Course - Orbits High Institute for Training (2014)
- Statistical Analysis using SPSS course - Deanship of Skills Development (2014)
- Concepts, Mechanics and Ethics of Scientific Research course - Deanship of Skills Development (2014)
- Writing of Proposal Research Plan course - Deanship of Skills

- Development (2014)
- ( G I S & G P S ) course - Scientific Academy (2012)
  - Principal of Project Management & Quality Control course Social Fund for Development (2011).
  - Introduction of GIS Course - Benevolent Fund for Outstanding Student (2011).
  - Technical Writing Report course - Scientific Academy (2010).
  - SAP2000 Course - Dimes. Engineering Applied Training Unit (2009).
  - Staad pro Course - Institute of Technology for Consulting and Development (2009).
  - 2D AutoCAD Course - Institute of Technology for Consulting and Development (2008).
  - MS windows- Word- Excel-PowerPoint- Internet- ACCESS Course - Aptech Worldwide Corporation (2005).

#### LANGUAGES

---

Arabic: Mother Tongue.

English: V. Good written and spoken.

#### PLUBICATIONS

---

- Babalghaith, Ali M., Hamad A. Alsoliman, and Abdulrahman S. Al-Suhaibani. "Comparison of Rheological Properties for Polymer Modified Asphalt Produced in Riyadh." World Academy of Science, Engineering and Technology, International Journal of Civil, Environmental, Structural, Construction and Architectural Engineering 10.2 (2016): 197-201.

#### CONFERENCES

---

- Speaker at 18th International Conference on Civil, Construction and Geological Engineering (Istanbul) - 2016.
- Conference Participated at 2nd IRF Asia Regional Congress & Exhibition (Kuala Lumpur) - 2016.
- Conference Participated at 17th International Road Federation Word Meeting & Exhibition (Riyadh) – 2013

## WORK EXPERIENCE

---

- 15/10/2011 Until now **King Saud University.**  
*As Researcher in Civil Engineering Department.*
- 08/05/2011 Until 01/10/2011 **PhotoCAD for Engineering, Contracting and Technical Consultations**  
*As a civil engineer in the field of Construction ,design and supervision*
- 14/04/2010 Until 06/05/2011 **Bamusallam Office for General Construction and Trading,**  
*As a civil engineer in the field of Construction ,design and supervision*
- Participating in counting and evaluation of Hadhramout rainfall disaster damages program (2008)
- Work in Many Individual Projects.

## SKILLS

---

**Personals:** I aspiring to be very success, open-minded, able to hard work, able to solve problems, able to discussion, Preparation, Participate, and input data.

**Technical :** Dealing with engineering software (Ansys,Primavera, Sap2000, AutoCad, StaadPro, Safe, Etabs, CSI Column , Robot, Mikenet and Ms Project )

## HOBBIES

---

Reading - Swimming - Internet.
