## Summary

---

Hard-working, entry-level Paramedic, looking to apply my education and experience to a job. Areas of proficiency include teamwork, self-confidence, handling pressure and time management .

## Education

---

**Bachelor of Science, Emergency Medical Services (EMS)** 2015  
Prince Sultan College for Emergency Medical Services, King Saud University — Riyadh, Saudi Arabia  
(honorary student) with GPA 4.71/5.

## Experince As Intern

---

**Emergency Department and Advance life support unit** Apr 2016 to Jun 2016  
**Mount Sinai Hospital — Manhhatan, New York**

In Mount Sinai I was assigned in the emergency room along with the attendance physician, advance life support units to respond to emergency and non-emergency requests in Manhattan and attend weekly emergency conferences.

**Advance life support unit** Feb 2016 to Apr 2016

**Yale-New Haven Hospital (YNHH) — New Haven, CT**

I was assigned in advance life support units. I got the opportunity to be I valuable member of the team, being the team leader in some cases, administrating medication, doing 12 lead EKG's and giving endorsement in the ER.

**Academic Internship** Dec 2015 to Feb 2016

**Prince Sultan College for EMS (PSCEMS) — Riyadh, Saudi Arabia**

During my time in PSCEMS, I was assigned in the quality unit as a part of the American Heart Association (AHA) to perform different task such as analyze and evaluate the results of training courses related to the quality and help in drill scenarios and organize some courses ( ACLS, PALS ). Practice skill instruction and end of course examination.

**Emergency Department** Nov 2015 to Dec 2015

**King Khaled University Hospital (KKUH) — Riyadh, Saudi Arabia**

In KKUH, Practice various skills such as 12 lead EKG monitoring, IV lines, history taking, decision making and documentation.

**Saudi Red Crescent Authority (SRCA) — Riyadh, Saudi Arabia**

I had the chance to be a team leader for two months and see many trauma and medical cases such as cardiac, neurological, pulmonary, infectious disease, endocrine and psychiatric emergency.

Approximate total time was spent 900 hours.

## Experience As Student
