ADDRESS:

Pediatric Neurology Section ,
Department of Pediatrics(39), College of Medicine
King Saud University, PO box 7805
Riyadh 11472, KSA

TELEPHONE:

Work : +96614690756
Email : fbashiri@ksu.edu.sa

NATIONALITY:

Saudi

EDUCATION:**MBBS -1997**

College of Medicine
King Saud University
Riyadh, Saudi Arabia(S.A)
Saudi Board Pediatrics(S.A) .Dec. 2004.
King Saud University Board Pediatrics(S.A),Feb.2005
Arab Board Pediatrics,(S.A) Mar. 2005.
Pediatric Neurology Fellowship,(S.A) Jun.2009
Pediatric Epilepsy Clinical Fellowship,(Canada)Dec.2010

QUALIFICATIONS:

Oct 2000 – Oct 2004	Residency Training Programme Department of Pediatrics King Khalid University Hospital, King Saud University ,Riyadh , Saudi Arabia
Dec.2004	Pediatrics Saudi Board
Mar. 2005	Pediatrics Arab Board
Feb. 2005	Pediatrics K.S.U.Board
Jul.2006- Jun.2009	Fellowship in Pediatric Neurology King Faisal Specialist Hospital & Research Center
Jan.2010-Dec.2010	Fellowship in Pediatric Epilepsy , University of British Colombia, Vancouver ,Canada

CURRENT POST

June 2017 Up to date	Associate Professor Consultant Pediatric Neurologist & Epileptologist Head Section, Pediatric Neurology, Department of Pediatrics College of Medicine & King Khalid University Hospital, King Saud University	Teaching Hospital attached to the University with Fully fledged Pediatric Department. 4Neurology Consultants. Shared Neurophysiology lab with adults
----------------------	---	--

PREVIOUS POST

July 2013- May 2017	Assistant Professor Consultant Pediatric Neurologist & Epileptologist Head Section, Pediatric Neurology, Department of Pediatrics College of Medicine & King Khalid University Hospital, King Saud University	Teaching Hospital attached to the University with Fully fledged Pediatric Department. 4Neurology Consultants. Shared Neurophysiology lab with adults
------------------------	--	--

July 2009 – June 2013	Clinical Assistant Professor Consultant Pediatric Neurologist & Epileptologist Pediatric Neurology section , Department of Pediatrics College of Medicine & King Khalid University Hospital, King Saud University	Teaching Hospital attached to the University with Fully fledged Pediatric Department. 4Neurology Consultants. Shared Neurophysiology lab with adults
--------------------------	---	--

PREVIOUS POST

Jan.2010 - Dec.2010	Fellow in Pediatric Epilepsy , University of British Colombia& BC Children's Hospital Vancouver ,Canada	BC Children's hospital is a leading major treatment ,teaching and research facility for child health in province of British Colombia with over 200,000 children cared for on an annual basis. University Of British Colombia is one of Canada's leading research universities and is ranked among the top 40 in the world.
------------------------	---	--

PREVIOUS POST

Jun.2009 -	Joined King Khalid University Hospital(KKUH) as a pediatric neurology consultant	Teaching Hospital attached to the University with Fully fledged Pediatric Department. 4Neurology Consultants. Shared Neurophysiology lab with adults
------------	---	---

PREVIOUS POST

July.2006 – Jun 2009	Fellow in Pediatric Neurology, King Faisal Specialist Hospital &Research Center (KFSHRC), Riyadh,Saudi Arabia	A three-year structured program in pediatric neurology, which included rotations in pediatric neurology inpatients, consultations & outpatients, with a fixed continuity clinic. Additional rotations in neurophysiology, neuropathology, neuro-ophthalmology, neuropsychiatric & neuropsychology, & adult neurology, as well as night calls covering ER, the whole of pediatric patients in KFSH & RC with suspected neurological problems
-------------------------	---	---

PREVIOUS POST

Nov.2004– Jun 2006	Senior Registrar in Pediatrics Department, KCUH King Saud University	
Oct 2000 – Oct.2004	Residency Training Programme Department of Pediatrics, KCUH	Well structured program under supervision of Saudi Commission for health Specialities
Jan.1999- Sep.2000	Resident in Department of Pediatrics ,KCUH	
Nov.1997- Nov.1998	House Officer, KCUH, KSU, Riyadh ,Saudi Arabia Excellent Performance	

TEACHING EXPERIENCE:

I thoroughly enjoy teaching. Currently an Associate Professor, I am currently involved in bedside and clinical teaching and tutorials to 5th- year medical students in King Saud University. I am also an examiner at the Paediatric final exams for medical students. I was not only involved in the teaching of House Officer's but also Pediatrics Residents at King Khalid University Hospital(KKUH).I was also involved in teaching medical students and Pediatric Neurology Residents at University of British Columbia & B.C. Children's Hospital in Vancouver, Canada during my fellowship training . At King Faisal Specialist Hospital , I was involved in giving bedside Neurology teaching for Pediatrics Residents .I'm also examiner in annual Evaluation for Pediatrics Residents at KKUH .

ADMINISTRATIVE/ORGANISATIONAL EXPERIENCE:

I'm currently Head, Pediatric Neurology Section at King Khalid University Hospital. I was Chief Fellow, during Pediatric Neurology Fellowship at KFSH& RC, Dec.2007-May2009.I was organizing the on-call rotation as well as academic activities of the fellows during that period.

I was Chief Resident, during pediatric residency Programme at KKUH, Oct.2003-Sep.2004.I was organizing the on-call rotation and academic activities.

I'm currently involved as a member of Postgraduate Committee at Pediatrics Department, KKUH

I'm also a member of Mortality and Morbidity Committee at Pediatrics Department ,KKUH.

RESEARCH EXPERIENCE:

My current research interests are in Pediatric Neurology especially Epilepsy in Children ,

SPEAKER IN NATIONAL AND INTERNATIONAL CONFERENCES **(Selected Conferences):**

- Presented a scientific presentations in Riyadh Pediatric Club Meeting,Jan.2003 & Mar.2004.
- Epilepsy Update April. 2009,Jazan,Saudi Arabia
- Epilepsy Teacher Awareness Program ,Riyadh,2009
- Pediatric Update Symposium March 2011 ,Jazan ,Saudi Arabia
- 19th Annual Saudi Neuroscience Symposium Nov.22-24.2011,Al Khobar, Saudi Arabia
- 12th International Child Neurology Congress and 11th Asian and Oceanian Congress of Child Neurology Brisbane, Australia May 2012
- 3rd Saudi International Pediatric Neurology Conference,Riyadh ,Nov.2012
- 1st State of the Art Pediatric International Conference,Riyadh,Dec.2012
- Cerebral Palsy : Update and Advance Course , Riyadh,Dec.2012
- 12th Asian & Oceanian Congress of Child Neurology,Riyadh,Sep.2013
- 13th International Child Neurology Congress,Brazil,May 2014
- Neurophysiology Workshop August 2015,Riyadh,Saudi Arabia
- 5th Annual Saudi Epilepsy Society Conference,1st GCC Epilepsy Conference,Nov.2015,Al Khobar,Saudi Arabia
- 1st Annual Saudi Pediatric Neurology Society Conference, Feb.2016, Riyadh ,Saudi Arabia
- 6th Annual Saudi Epilepsy Society Conference,2st GCC Epilepsy Conference,October.2016, Jeddah ,Saudi Arabia
- 2nd Annual Saudi Pediatric Neurology Society Conference, Feb.2017, Riyadh ,Saudi Arabia

RELEVANT CERTIFICATE COURSES:

- Pediatric Preparatory Course,Oct. 2002, KKHU.
- Pediatric Preparatory Course,Oct. 2003, KKHU.
- Performing a Research Study Course.Jan 2004,KKHU.
- Fifth Intensive Pediatric Course , Sep.2004. AlHabib Medical Center
- Pediatric Clinical Course.Dec.2004.Riyadh Medical Complex
- Pediatric Neurology Course , Feb. 2007, King Abdulaziz Medical City-Riyadh
- Vagal Nerve Stimulation workshop , Oct. 2007, KFSHRC

- Reviewing Abstracts for National and Regional Meetings: Yes You Can! Workshop. May 2010,Vancouver,Canada
- Research Methodology Course August-Nov.2010,UBC,Vancouver ,Canada
- EEG course Jan. 2011,Riyadh,Saudi Arabia

NATIONAL/INTERNATIONAL CONFERENCES/MEETINGS (Selected):

- Pediatric Update Symposium , Sep.2004,KKUH,Riyadh
- Pediatric Advance Health Care Symposium,Nov.2005.King Fahad Medical City,Riyadh
- 14th Saudi Neuroscience Symposium and 6th Saudi Chapter of Epilepsy Annual Meeting, March.2006.Riyadh. K.S.A.
- International Symposium on Emergency Medicine, Critical Care and Neurological Emergencies, Nov. 2006. KFSHRC,Riyadh
- Epilepsy Update: Women and Newborns with Epilepsy, Octo. 2007, KFSHRC,Riyadh
- Pediatric Update Comprehensive Review Dec. 2007,KFSHRC,Riyadh
- 16th annual Saudi Neuroscience Symposium Jan.2008 ,Riyadh, Saudi Arabia
- 1st international pediatric neurology Symposium Nov.2008,Riyadh,Saudi Arabia.
- Epilepsy Update March. 2009,Riyadh,Saudi Arabia
- Stroke Awareness day scientific meeting Jun 2009
- 2010 Pediatric Academic Societies' Annual Meeting. May2010,Vancouver,Canada
- Canadian Neurological Sciences Federation's 45th annual Congress Jun.2010,Quebec,Canada
- The 1st Annual Saudi Epilepsy Society Symposium Jan.2011 Riyadh, Saudi Arabia
- 35th Seminar on Neuro-ophthalmology in 21st Century May 2011,Riyadh,Saudi Arabia
- 19th Annual Saudi Neuroscience Symposium Nov.22-24 ,Al Khobar, Saudi Arabia
- 12th International Child Neurology Congress and 11th Asian and Oceanian Congress of Child Neurology Brisbane, Australia May 2012
- 10th European Congress on Epileptology London,Sep.2012
- 3rd Saudi International Pediatric Neurology Conference,Riyadh ,Nov.2012
- 1st State of the Art Pediatric International Conference,Riyadh,Dec.2012
- 12th Asian & Oceanian Congress of Child Neurology,Riyadh,Sep.2013
- 13th International Child Neurology Congress,Brazil,May 2014
- AES 68th Annual Meeting,Seattle,WA,Dec.2014
- 31st International Epilepsy Congress, Sep.2015,Istanbul,Turkey

PUBLICATIONS:

1. Tuberculosis in pregnancy: the need to improve the rate of diagnosis. Abdulrahman M Al-Nemri, **Fahad A Bashiri**, Middle East paediatrics .vol 11 No. 4- 2006.
2. Clinical, biochemical and molecular characterization of peroxisomal diseases in Arabs. Shaheen R, Al-Dirbashi OY, Al-Hassnan ZN, Al-Owain M, Makhsheed N, **Basheeri F**, Seidahmed MZ, Salih MAM, Faqih E, Zaidan H, Al-Sayed M, Rahbeeni Z, Al-Sheddi T, Hashem M, Kurdi W, Shimozawa N, Alkuraya FS. Clin Genet 2011 Jan;79(1):60-70.
3. Biotin-responsive basal ganglia disease should be renamed biotin-thiamine-responsive basal ganglia disease: a retrospective review of the clinical, radiological and molecular findings of 18 new cases Majid Alfadhel , Makki Almuntashri, Raafat H Jadah, **Fahad A Bashiri**, Muhammad Talal Al Rifai Hisham Al Shalaan, Mohammed Al Balwi, Ahmed Al Rumayan, Wafaa Eyaid and Waleed Al-Twaijri

Hashem, BSc and Fowzan S. Alkuraya, MD, FAAP. Genetics in medicine, Dec. 2014
6. *Mycoplasma pneumoniae* Infection: Risk Factor for Childhood Stroke. **Fahad A. Bashiri, MD**, Global Pediatric Health, June 2015
7. Accelerating Novel Candidate Gene Discovery in Neurogenetic Disorders via Whole-Exome Sequencing of Prescreened Multiplex Consanguineous Families. Cell Reports 10, 1–14, January 13, 2015
8. ARL6IP6, a susceptibility locus for ischemic stroke, is mutated in a patient with syndromic Cutis Marmorata Telangiectatica Congenita. FS, Abumansour IS, Hijazi H, Alazmi A, Alzahrani F, **Bashiri FA**, Hassan H, Alhaddab M, Alkuraya 2015 . Human Genetics, August 2015
9. Comprehensive gene panels provide advantages over clinical exome sequencing for Mendelian diseases. Saudi Mendeliome Group. Genome Biol. 2015 Jun 26;16:134. doi: 10.1186/s13059-015-0693-2
10. Auto-immune anti-N-methyl-D-aspartate receptor (anti-NMDAR) encephalitis: three case reports. **Bashiri FA**, Al-Rasheed AA, Hassan SM, Hamad MH, El Khashab HY, Kentab AY, AlBadr FB, Salih MA. Paediatr Int Child Health. 2016 Jun 22:1-5
11. Childhood epilepsies: What should a pediatrician know?

Bashiri FA. *Neurosciences (Riyadh)*. 2017 Jan;22(1):14-19.

12. Idiopathic intracranial hypertension in children: Diagnostic and management approach.

Albakr A, Hamad MH, Alwadei AH, Bashiri FA, Hassan HH, Idris H, Hassan S, Muayqil T, Altweijri I, Salih MA. *Sudan J Paediatr*. 2016;16(2):67-76

13. Confirming the recessive inheritance of SCN1B mutations in developmental epileptic encephalopathy . Ramadan W, Patel N, Anazi S, Kentab AY, **Bashiri FA**, Hamad MH, Jad L, Salih MA, Alsaif H, Hashem M, Fageih E, Shamseddin HE, Alkuraya FS.

14. Management of convulsive status epilepticus in children: an adapted clinical practice guideline for pediatricians in Saudi Arabia.

Bashiri FA, Hamad MH, Amer YS, Abouelkheir MM, Mohamed S, Kentab AY, Salih MA, Al Nasser MN, Al-Eyadhy AA, Al Othman MA, Al-Ahmadi T, Iqbal SM, Somily AM, Wahabi HA, Hundallah KJ, Alwadei AH, Albaradie RS, Al-Twaijri WA, Jan MM, Al-Otaibi F, Alnemri AM, Al-Ansary LA. *Neurosciences (Riyadh)*. 2017 Apr;22(2):146-155.

15. Mutations in NKX6-2 Cause Progressive Spastic Ataxia and Hypomyelination.

Chelban V, Patel N, Vandrovцова J, Zanetti MN, Lynch DS, Ryten M, Botía JA, Bello O, Tribollet E, Efthymiou S, Davagnanam I; SYNAPSE Study Group, **Bashiri FA**, Wood NW, Rothman JE, Alkuraya FS, Houlden H. *Am J Hum Genet*. 2017 Jun 1;100(6):969-977.

16. The landscape of genetic diseases in Saudi Arabia based on the first 1000 diagnostic panels and exomes.

Monies D, Abouelhoda M, AlSayed M, Alhassnan Z, Alotaibi M, Kayyali H, Al-Owain M, Shah A, Rahbeeni Z, Al-Muhaizea MA, Alzaidan HI, Cupler E, Bohlega S, Fageih E, Faden M, Alyounes B, Jaroudi D, Goljan E, Elbardisy H, Akilan A, Albar R, Aldhalaan H, Gulab S, Chedrawi A, Al Saud BK, Kurdi W, Makhseed N, Alqasim T, El Khashab HY, Al-Mousa H, Alhashem A, Kanaan I, Algoufi T, Alsaleem K, Basha TA, Al-Murshedi F, Khan S, Al-Kindy A, Alnemmer M, Al-Hajjar S, Alyamani S, Aldhekri H, Al-Mehaidib A, Arnaout R, Dabbagh O, Shagrani M, Broering D, Tulbah M, Alqassmi A, Almugbel M, AlQuaiz M, Alsaman A, Al-Thihli K, Sulaiman RA, Al-Dekhail W, Alsaegh A, **Bashiri FA**, Qari A, Alhomadi S, Alkuraya H, Alsebayel M, Hamad MH, Szonyi L, Abaalkhail F, Al-Mayouf SM, Almojalli H, Alqadi KS, Elsiey H, Shuaib TM, Seidahmed MZ, Abosoudah I, Akleh H, AlGhonaïum A, Alkharfy TM, Al Mutairi F, Eyaïd W, Alshanbary A, Sheikh FR, Alsohaibani FI, Alsonbul A, Al Tala S, Balkhy S, Bassiouni R, Alenizi AS, Hussein MH, Hassan S, Khalil M, Tabarki B, Alshahwan S, Oshi A, Sabr Y, Alsaadoun S, Salih MA, Mohamed S, Sultana H, Tamim A, El-Haj M, Alshahrani S, Bubshait DK, Alfadhel M, Faquih T, El-Kalioby M, Subhani S, Shah Z, Moghrabi N, Meyer BF, Alkuraya FS. *Hum Genet*. 2017 Jun 9.

PRESENTATIONS/PRINTED ABSTRACTS:

1. Whole Exome Sequencing Implicates SLC25A22 as a Gene for MMPEI
Poduri A, Heinzen EL, Salih MA, Chitsazzadeh V, Hill RS, Elhosary PC, Barry BJ, Partlow JN, Ge D, Shianna KV, **Bashiri FA**, Zeidan RM, Elmalik SA, Kabiraj MMU, Stçdberg T11, Scheffer IE12, Barkovich AJ13, Goldstein D3, Walsh CA
Epilepsia, 52(Suppl. 6): 4–22, 2011
2. Epileptic spasms beyond infancy: Electroclinical, neuroimaging and the role of epilepsy surgery **FA Bashiri**, L Langill (Vancouver) MB Connolly(Vancouver)
The journal Canadian Journal of Neurological Sciences ,Volume 38 Number 3 May 2011
3. Autoimmune Anti-N-methyl-D-Aspartate Receptor(anti-NMDAR) encephalitis: 2 case reports from Saudi Arabia , Brazil,May 2014
4. Biotin Responsive Basal Ganglia Disease : Unusual presentation with spinal cord involvement,Brazil,May2014
