- MF Cases mostly assisted and observed; Elective / ER in CD/ KKHU
 - ER management; ABC – assess, primary care, in-patient management and management under GA by ORIF
 - RTA; Mandible fracture (body, angle, and Condyle) –simple, complicated and comminuted
 - Pan-facial fracture
 - Mid face; Leforte I, II, III
 - Orbito-zygomatic fracture; blow-out
 - Naso-ethmoidal-zygomatic fracture
 - Cysts & Tumour; Dentigerous, Keratocyst, Residual, Ameloblastoma, Myxoma, GCG, and others
 - Orthognathic Surgery; Leforte I Osteotomy, BSSO, Bimax Osteotomy, Distraction Osteogenesis
 - Cleft lip and Palate
 - Infection (Facial Spaces); management I & D under GA
 - Removal of Impacted teeth under GA
 - Biopsy
 - Removal of Hard wares
 - Reconstruction of facial fracture and defects
 - Complications of Maxillofacial surgery
 - Follow up cases

RESEARCH Supervision & CRITICAL ACTIVITIES at KSU

Supervised student's projects and presentations in oral medicine/ oral pathology

2004-2005

- What are the recommendations for biopsy and 3rd molar impaction?
- Recent clinical trials on drugs that promote healing of Oral Ulcers
- Current literature on Oral manifestations and Rheumatologic Diseases.
- Effectiveness of Antibiotic prophylaxis
- Does oral health effects general health

2005-2006

- Current literature on bloodletting therapy
- Recent clinical trials on drugs that promote healing of Oral Ulcers
- Current literature on Oral manifestations and Rheumatologic Diseases.
- Effectiveness of Antibiotic prophylaxis
- Current literature on Dental management of pregnancy

2006-07

- Current literature on bloodletting therapy
- Current literature on xerostomia.
- Effectiveness of Antibiotic prophylaxis
- Current literature on Dental management of Pregnancy
- Effectiveness of steroids in the management of dental diseases
- When should we recommend biopsy and removal of impacted teeth
- Dental patient and smoking; clinical aspects and motivation

Supervised literature reviews of 413 MFS at boys and girls campus

2011-2014

- **Surgical management of subluxated and avulsed teeth during trauma**
- **Dental Implants for patients with diabetes mellitus**
- **Diagnosis and Management of Trismus including open jaw lock**
- **Management of hepatic patients**

Supervised Interns research seminar

2004-05

- Exodontia under local or general anesthesia among medically compromised patients in Australia on 22nd March 2005

2005-06

- Third molar surgery at King Saud University, College of dentistry Maxillofacial Clinics on 21st Feb 2006

2006-07

- A survey of prevalence of position of impacted third molar among patient visited Oral& Maxillofacial Surgey clinics at King Saud University on 19th Dec 2006
- A survey of pathology associated impacted third molars among the patients seen in OMFS clinics at King Saud University on April 2007

2008-09

- An influence of Xylocain containing Adrenaline on the glycemic level of patients who are undergoing tooth extraction

Workshops / Lectures ATTENDED

First Four Fellowship Supervisor Workshops affiliated with Pakistan College of Physicians and Surgeons, Karachi

24 July - 29 July 2000	“Computer & Internet” Regional office of College of Physicians and Surgeons of Pakistan, Multan
20 April – 22 April 2000	“Education, Planning” Regional Office of College of Physicians and Surgeons Pakistan, Nishtar Medical College, Multan
16 Sept – 18 Sept 2002	Research Methodology DME Workshop Hall, College of Physicians and Surgeons Pakistan, Karachi
20 Oct – 22 Oct 2003	Performance Based Assessment (PBA) Regional Office of College of Physicians and Surgeons Pakistan, Lahore
23 Oct – 25 Oct 2003	Written Assessment Techniques Regional Office of College of Physicians and Surgeons Pakistan, Lahore
27 Feb – 02 Mar 2005	Principal and techniques of Distraction Osteogenesis in the Oral-Maxillofacial Skeleton” Current principles- Future trends (Hand workshop on and live surgery) at Riyadh, KSA
27 Feb – 01 Mar 2006	“Cranio-maxillofacial Principles Course” (Hand on workshop) at Riyadh, KSA
8 July – 10 July 2008	“Nobel Biocare” Implant training workshop including all ceramic restoration, surgical training and effective teaching, and hand on workshop at College of Dentistry, KSU
27 th Oct 2011	“Communication Skills workshop” organized under Pakistan Doctors Group at King Khalid University Hospital, Riyadh by Dr. Riaz Qureshi
4 th Feb 2012	Intended Learning Outcomes Workshop , KSU, Riyadh, Saudi Arabia
29 th Feb 2012	Constructing High Quality MCQs , College of Dentistry, King Saud University, Riyadh
13 th April 2012	Free Medical Camp , Pakistan Embassy under PDG, Riyadh
18 th April 2012	Designing Effective Continuing Professional Development , King Saud University, Riyadh

29 th April 2012	Free Medical Camp , Pakistan Embassy under PDG, Riyadh
22-23 th May 2012	Management of Advanced Dental Implant Cases ; An Evidence based approach course.at Riyadh Military Hospital, KSA (10 CME)
22 nd Nov 2012	Research Methodology workshop under Pakistan Doctors Group at Pakistan Embassy
14 th Dec 2012	Free Medical Camp at Pakistan Embassy organized by Pakistan Doctors group, Riyadh
16-17 Dec 2012	Recent Advances in clinical teaching and learning under Medical Education Dept, College of Medicine, King Saud University (Prof. Zubair Amin) (9 CME)
18 th Dec 2012	Objective Structured Clinical Exam ; OSCE under Medical Education Dept, College of Medicine, King Saud University, Riyadh (6 CME)
30 th Dec 2012	Tissue preparation for microscopic examination at VIP room, College of Dentistry, KSU (Dr. Faika Y. Abdelmegid Asso Prof, DDS)
14 th Feb 2013	Dental & Maxillofacial Symposium “ Implantology – Basic course Hand on workshop ” held at Saudi German Hospital, Riyadh on 14 th Feb 2013(5 CME)
14 th April 2013	Curriculum Reform Project I (Curriculum Models and Theories, Competency based education, Learning Styles) By Prof. Paula N. O'Neill / Dr. Tobias E. Rodrigues at VIP room, College of Dentistry, KSU
24 th April 2013	Biostatics Course for Dental Faculty / PGs at College of Dentistry, Riyadh by Nassr Al-Maflehi (3 weeks every Wednesday) 24/4/13, 01/05/13, 08/05/13
24 th May 2013	Participated Free Medical Camp at Pakistan Embassy organised by Pakistan Doctors Group Riyadh.
26 th Oct 2013	Echo / ECG workshop at Pakistan Embassy organised by Pakistan Doctors Group Riyadh.
26 th Feb 2014	Participation awarded in ScienceDirect and Scopus training held at Riyadh
7 th Nov 2014	Participated in Free Medical Camp conducted at Pakistan Embassy organized by Pakistan Doctors Group Riyadh.

SYMPOSIUMS ATTENDED (conducted by Saudi Dental Society, Riyadh)

Feb, 2005	Evaluation of Dental Implant Site
March, 2005	Flap Design for Dental Implant Related Surgical Procedures
March, 2005	Interesting clinical comprehensive cases in Oral diagnosis
April, 2005	Technology & Treatment Planning in Orthodontic and orthodontic Surgery
April, 2005	Sensible Implant Dentistry
June, 2005	Diseases of Jaw Bones- Selection from the archives
December 4, 2011	“The Frequently asking Questions in Pediatric Dentistry” KSU, College of Dentistry, Riyadh under SDS (4 CME)

DENTAL MEETINGS (Conferences)

<u>Year</u>	<u>Presentation / Attended</u>	<u>Meeting</u>
1992	General Dental Practitioner's Responsibility of Head and Neck Cancer Patients.	Pakistan National Dental Conference, Quetta, Pakistan
1993	Incidence of Dry Socket in Lower Jaw. (Study Paper)	Pakistan National & SAARC Dental Conference, Islamabad.
1994	Auto-transplantation of Maxillary Canine Teeth.(Study Paper)	Pakistan National & SAARC Dental Conference, Peshawar.
1995	TMJ Dysfunction Syndrome. (Study Paper)	Pakistan National Orthopaedics Conference, Multan, Pak.
1996	TMJ Dysfunction Syndrome. (Study Paper)	Pakistan International Dental Conference, Karachi, Pak.
2003	Oral Lichen Planus and Its Diagnosis among like lesions	International Dental Conference Islamabad
2007	HgCl ₂ induces IL-6 & IL-8 production in a stratified Oral Mucosal Cultural System.	18 th Saudi International Dental Congress, Riyadh KSA
2008	Attended	5 th International symposium of HMG and ADC “One Day Dental Treatment” 27-28 May 2008 (10 CME)
2009	Attended	20 th Saudi Dental Society & 2 nd National

		Guard New Dental Era International Conference, Riyadh, KSA 20-22 April 2009 (18 CME)
2009	Attended	5 th International Symposium of HMG and ADC "One Day Dental Treatment" 27-28 May 2009 (10 CME)
2009	Attended	32 nd Seminar on Outcomes in Orbital Fracture, by Saudi Ophthalmology society 14-15 Dec 2009 (13 CME)
2009	Attended	Surgical management in severely deficient ridge, and treatment modalities for difficult implants cases by SDS, Riyadh (03 CME)
2010	Attended	3 rd Int. Conference on Current Practice in Anaesthesia & Pain Management, KCUH 12-14 Jan 2010 (24 CME)
2010	Attended	13 th Int. Dental Conference and 21 st Saudi Dental Society, Riyadh 8-11 February 2010 (20 CME)
2010	Attended	AEEDC Dubai 2010 and WFLD Dubai Congress 2010 (30 CME)
2010	Attended	1 st Thyroid Cancer Forum 3 rd April 2010 (6 CME)
2010	Attended	6 th PAAOMS and 1 st SSOM Conference, Jeddah 15-18 March 2010 (30 CME)
2010	Attended	1 st Saudi Society of Oral & Maxillofacial Surgery Conference, Jeddah 16-18 March 2010 by AACME (32.25 hrs: Cat 1 credit AACME)
2010	Attended	Special Care Dentistry, KFSHRC, Riyadh 18-19 May 2010 (18 CME)
2010	Attended	5 th Riyadh International Dental Meeting, Riyadh 15-16 Dec 2010 (23 CME)
2011	Attended	22 nd SDS Int. Dental Conference, Riyadh. 24-26 Jan 2011 (30 CME)
2011	Attended	3 rd Cleft Palate and Craniofacial

		Symposium, Postgraduate Center, KFSH&RC, Riyadh on 22-23 March 2011 (13 CME)
2011	Attended	Oral Implant Healing and Its Analysis, King Saud University, College of Dentistry on 3 rd April 2011 (4 CME)
2011	Attended	Cone Beam Computed Tomography Essential of Principles and Interpretation for Dentists, King Saud University, on 12 th May 2011 (4 CME)
2011	Attended	Stem cells and regeneration medicine King Khalid University Hospital, Riyadh 13-16 th Nov 2011 (30 CME)
2011	Attended	Dental & Maxillofacial Symposium (Cranio – Maxillofacial Reconstructive & Corrective Surgery, Saudi German Hospital, Riyadh on 29 th Dec 2012 (10 CME)
2012	Attended	Management of Advanced Dental Implant cases: An evidence based approach course, Riyadh Armed Forces Hospital, 22-23 May 2012 (10 CME)
2012	Attended	“Growth factors & its application” Symposium at KCUH 6-7 th Nov 2012 (12 CME)
2012	Attended	KSU 14 th International Dental Conference, 23 rd Saudi Dental Society with the theme “Emerging Horizons in Dentistry” at Riyadh 6-8 February 2012 (30 CME)
2013	Attended	24 th Saudi Dental Society international dental conference, held at Riyadh on 28-30 th Jan 2013. (30 CME)
