Current Position

Faculty member at the Department of Education, King Saud University, Riyadh, SA.
Currently, I am on scholarship to complete my postgraduate education.

Education

B.A. English, King Saud University, Riyadh, SA, Fall 2008

M.A. Linguistics, University of Colorado-Boulder, Spring 2015.

M.A. thesis title: The effect of postnasal consonant on coarticulatory vowel nasalization in Saudi Arabic

Ph.D. (In Progress) Linguistics, University of Michigan- Ann Arbor, 2015- present
Expected Completion: Spring 2020

Research interest:

Acoustic phonetics
Speech perception
Perception of coarticulatory variation
Perceptual and communicative consequences of systematic variation on phonological systems
Coarticulatory variation and its relation to sound change

Honors and Awards

Received M.A. Scholarship from King Saud University, Riyadh, Saudi Arabia, 2012

Received Ph.D. Scholarship from King Saud University, Riyadh, Saudi Arabia, 2015

Teaching experience

Instructor at King Saud University, Riyadh, SA

Instructor- Eng 110- English Grammar, Fall 2009

Presenting an overview of numerous topics in English grammar required to obtain the important grammar skills and produce correct sentences in English.

Instructor- Eng 118- Reading Comprehension, Spring 2010

Presenting student with reading strategies and skills that stress vocabulary guessing and passage comprehension.

Teaching assistant at King Saud University, Riyadh, SA

Teaching Assistant- Eng 328- Phonetics, Fall 2010

Presenting an overview of acoustic and articulatory phonetics to a class of undergraduate. The course provided student with the essential knowledge in phonetics required to describe and analyze speech sounds. I assisted students with their homework and graded all the non-exam class work.
