

FATIMAH AL-OTAIBI

Career Objectives

Seeking a challenging and rewarding position in a reputable neurology residency program where I can learn and develop the necessary skills to become a great neurologist. Following the completion of my residency, I wish to pursue a position in a Stroke Fellowship. After the completion of my training, I will return to my sponsoring institute, where I will occupy my appointment as a faculty member and work as an academic staff as well as a Clinician in our tertiary hospital's future Stroke unit.
