

Fulwah Alqahtani
King Saud University, College of Pharmacy, Riyadh,
Saudi Arabia
Phone: 0118051478
E-mail: fyalqahtani@ksu.edu.sa

**Personal
information**

Date of birth: 14th of October.
Nationality: Saudi.

Education

Doctor of Philosophy in Pharmaceutical Microbiology (PhD)
2012

*School of Molecular Medical Science, University of Nottingham,
Nottingham, United Kingdom*

Master Degree in Clinical Microbiology (MSc) **2008**

*School of Molecular Medical Science, University of Nottingham,
Nottingham, United Kingdom*

Bachelor Degree in Pharmaceutical Science (BSc) **2004**
with excellent degree and second degree of honour

College of Pharmacy, King Saud University, Riyadh, Saudi Arabia

**Professional
work experience**

Trainee (Sep - Oct 2003): Pharmacist at King Faisal Specialist Hospital and Research Centre in the following areas:

- Outpatient pharmacy for 5 weeks.
- In patient unit dose for 1 month.

Teaching assistant (Dec 2005 - July 2007): King Saud University,

College of Pharmacy, Pharmaceutics and Microbiology
department for the following subject:
351 PHT (sterility of pharmaceutical product)

Assistant professor (Feb 2013 - current): King Saud University,
College of Pharmacy, Pharmaceutics and Microbiology
department.

Supervisor of Academic Affair Unit (Sep 2013 - current): King
Saud University, College of Pharmacy

Teaching

Undergraduate courses:

PHT 437	Advanced Biotechnology
PHT 324	General Immunology
PHTR 495	Graduation project
PHT 226	Pharmaceutical Microbiology I

Postgraduate courses:

PHT 560	Advanced Biotechnology-II
PHT 591	Seminar 2
PHT 596	Research Methodos
PHTR 595	Research project

Training programs and workshops Attended

External Undertaken Training Courses

- Medical education, 24-27 June 2014, University of Ottawa, Canada.

Internal Undertaken Training Courses

- Creativity in the educational process, 2015, Ministry of Higher Education, KSU, Riyadh.
- Development of creativity in the educational curriculum, 2015, Ministry of Higher Education, KSU, Riyadh.
- Training of health and medical college students in the university medical city , opportunities and challenges (Workshop), KSU medical city, Saturday, 30 May 2015, Riyadh.
- Elaborate Tables and registration Mechanisms, 2014, KSU, Riyadh.
- Resolving Workplace Conflict, 2014, Ministry of Higher Education, KSU, Riyadh.
- Prince Naif Center for Health Research (Workshop), 2014, Riyadh.

- Designing electronic exam (Workshop), 2014, KSU, Riyadh.
- Micro Teaching, 2013, KSU, Riyadh.
- Course Design and Construction, 2013, KSU, Riyadh.
- Learning Outcomes Assessment, 2013, KSU, Riyadh.
- Effective Teaching Skills, 2013, KSU, Riyadh.
- Developing Course File, 2013, KSU, Riyadh.
- Academic Leadership Skills Development, 2013, KSU, Riyadh.
- NCAAA Standards for College Teaching, 2013, KSU, Riyadh.
- Research Grant Proposal Writing, 2013, KSU, Riyadh.
- Literature Evaluation, 2013, KSU, Riyadh.
- Peer-to-peer consultation program, 2013, KSU, Riyadh.

**Confereces and
Symposium
attended**

External

- American Association of Pharmaceutical Scientists (AAPS) Annual Meeting and Exposition, October 25–29, 2015, Orlando, USA (**Attendance**).
- Cancer Nanotechnology, June 28–July 3, 2015, Mount Snow, West Dover, VT, USA (**Participant**).
- Cell Death Signaling in Cancer and the Immune System (S2), October 28–November 2, 2014, Guarujá, São Paulo Brazil (**Attendance**).
- International Journal of Arts & Sciences Multidisciplinary conferences in a "study abroad" format, 16-19 May 2014, Las Vegas, USA (**Participant**).
- 3rd International Conference and Exhibition on Nanotechnology, Dec 02-04, 2013, Las Vegas, USA, (**Attendance**).

Internal

- 1st PharmD Internship Research Day, KSU, Riyadh, May 21, 2015 (**Moderator**).
- The 3rd Saudi international nanotechnology conference

(3SINC) 2014, KACST, Riyadh, 1-3/12/2014 (**Attendance**).

- Fifth scientific meeting of King Saud University students, KSU, Riyadh, 2014 (**Participant-Judgment committee**).
- The sixth Research Day, KSU, Riyadh, 2014 (**Participant**).

Committees

- Student rights protection committee, Pharmacy College, since 2013, (**Member**).
- Student Advisory Council committee, Pharmacy College, since 2013, (**Member**).
- Curriculum development committee, Pharmacy College, since 2013, (**Member**).
- Students mitigating circumstances academic committee, Science and Medical Studies faculty, since 2013, (**Member**).
- Peer-to-peer consultation program committee, since 2013, (**Member**).
- Academic programs committee of the Canadian Commission for Accreditation of Pharmacy Programs (CAPP), Pharmacy College, 2014, (**Chairperson**).
- Self study reports committee of the Candian Commission for Accreditation of Pharmacy Programs (CAPP), Pharmacy College, 2014, (**Member**).
- Learning and teaching committee of the NCAA accreditation program, Pharmacy College, 2014, (**Member**).
- Admissions Committee for Doctor of Pharmacy program, Pharmacy College, 2014, (**Member**).
- Academic affair and graduate studies committee at the Department of Pharmaceutics, Pharmacy College, since 2013, (**Member**).
- Attraction and human resources committee at the Department of Pharmaceutics, Pharmacy College, since 2013, (**Member**).
- Personal interviews for standardized admission test for colleges of health, KSU, 2013 and 2014, (**Judgment committee**).
- Supportive program for new faculty members committee, Pharmacy College, 2014, (**Member**).

Prizes	<ul style="list-style-type: none"> • Won the second prize of 2014 graduates research projects competition, college of pharmacy, Riyadh, KSU. • Won the third prize of 2015 graduates research projects competition, college of pharmacy, Riyadh, KSU.
