Dear colleagues :

I am greatly honored to invite you to participate and attend the 3rd International Communication disorders, Audiology and Neuro-Otology conference (iCAN). Mark your calendar now for 3rd iCAN, March 1-4, 2015 at Alfatimah hotel in Riyadh. Join friends and colleagues for this unique and innovative educational experience; an event you won't want to miss. We've listened to your comments and suggestions and have been hard at work making changes to ensure that 3rd iCAN will be one to remember!

Building upon the great success of iCAN in 2011 and 2013, 3rd iCAN 2015 brings additional and new updates in the field of communication disorders, audiology and neuro-otology. Be prepared to experience a full and rich scientific program including free papers, learning modules, hands-on training workshops, panel discussions, industry updates, new products, sponsors seminars and much more.

Together we work as a team to help those in need to be able to HEAR and SPEAK. That is why, iCAN permanent slogan is

iCAN HEAR & iCAN SPEAK
