

# International Meeting on Petroleum Engineering

November 07-08, 2017 Singapore

LETTER OF ACCEPTANCE

Date: August 28, 2017

**Khalid Al-Khidir**

King Saud University

Saudi Arabia

With pleasure, I am informing you that your abstract titled **"On the equality of resistivity fractal dimension and geometric relaxation time fractal dimension of induced polarization for characterizing Shajara Reservoirs of the Shajara Formation of the Permo-Carboniferous Unayzah Group, Saudi Arabia."** has been accepted for oral presentation at the International Meeting on Petroleum Engineering 2017 Singapore; November 7-8, 2017.

We cordially invite you as a speaker to present your research pertaining to our theme **"Fuelling the Innovations and Advancements in Petroleum Engineering"**. The International Meeting on Petroleum Engineering 2017- initiated by editors of *Journal of Petroleum & Environmental Biotechnology*; *Journal of Oil & Gas Research* and *Journal of Chemical Engineering & Process Technology: An Overview*- will definitely offer you an unforgettable experience in exploring new opportunities.

We look forward to seeing you in Singapore!
