

## **ME 371 Project Instructions**

Each group of 3-4 students shall prepare a report on the topic assigned to them by the instructor. The report is to be submitted electronically on November 30, 2017. A presentation is also required. Timing of the presentation will be announced later.

The project report should be between 8 to 10 pages. The project format for the report is as follows. Starting with the cover page, give a title for your project together with your names, course number, semester, and submission date. The final report must be typeset on A4 paper with a 12 point times-roman font (double-spaced with one-inch margin all around). Make sure that you number all figures and tables, and number all the pages. The following are the suggested sections of the report:
