

Reem Abdulazeez Saleh AlThekair

Demonstrator at King Saud University, Radiological sciences department

P.O Box 94519

Riyadh 11614, Kingdom of Saudi Arabia

Office: +966118052145

E-mail: ralthekair@ksu.edu.sa

Nationality:

Saudi

Languages:

Arabic and English.

Education:

- Bachelor degree in applied medical sciences. King Saud University, Riyadh, Saudi Arabia **2009**

Major: Radiological sciences.

G.P.A (4.49/5). With second class honor.

High school diploma, Riyadh schools for boys & girls, Riyadh, Saudi Arabia **2004**

Grade: Excellent.

Experience:

November 2010 until now:

Demonstrator at King Saud University.

Teaching the following courses during that time:

- Radiographic techniques 1 lab (RAD 222).
- Image recording techniques lab (RAD 341).
- Radiographic techniques III lab (RAD 322).
- Clinical practice VII Lab (RAD 435).

Supervising students in the hospitals:

Accidents and emergency (RAD 422).

Clinical practice in nuclear medicine (RAD 466)

Clinical practice IV (RAD 432)

Radiographic & their interpretation (RAD 463)

Radiographic techniques IV (RAD 323)

Computerized tomography imaging (RAD 451)

Introduction to radiotherapy (RAD 461)

Health, safety welfare at work (RAD 453)

-Computers in medical imaging lab (RAD 454).

Joined different committees in the department since then:

Academic accreditation committee (Head Aug 2013 - 2016)

Quality & development committee (Head Aug 2013 - 2016)

Examinations committee (Head 2010-2014)

Recruitment Committee (member)

7th of August 2010- 10th November 2010

Saudi Career Development Program participant in the MRI department, at King Faisal

Specialist Hospital and Research Centre. (MRI Technologist).

7th march 2009-24th February 2010

Internship at King Faisal Specialist Hospital and Research Centre.

Continuing Education:

- The 5th Saudi Health Exhibition & Congress. **16-18 MAY 2016**
- lecture on Radiation therapy **April 2016**
- lecture on Breast imaging **April 2016**
- lecture on Health care informatics **April 2016**
- Scientific writing workshop **February 2016**
- International conference on radiation medicine 2016 **February 2016**
- ITQAN portal (Electronic Quality Management System) **December 2016**
- Advances in medical imaging technology **October 2016**
- Quality & development unit procedures **September 2016**
- Learning management system (LMS) **August 2016**
- Advances in medical imaging technology **November 2015**
- Learning management system (LMS-Blackboard) workshop August **2015**
- International conference on radiation medicine 2014 (ICRM2014) **.February 2014**

30 CME Hrs.

- Saudi health 2013. **May 2013**

30 CME Hrs.

- Chest and Cardiac Imaging International Conference **.April 2012**

24 CME Hrs.

- Introduction and Application of SAS Course.

9 CME Hrs **March 2012**

- International Conference on Radiation Medicine.

Introduction to Radiation Medicine Workshop

6 CME Hrs **29FEB-1MAR 2012**

- 5th - Saudi conference on medical physical

22 CME Hrs **October 2010**

- International Conference on Radiation Medicine

23CME Hrs **March 2010**

-International Conference on Radiation Medicine (workshop)

7CME Hrs **March 2010**

-MRI Course (Basic concepts of MRI)

6 CME Hrs **February 2010**

-MRI Course (routine MRI techniques and application)

6 CME Hrs **February 2010**

-MRI Course (advanced MRI techniques and application)

5 CME Hrs **February 2010**

-Advances in Management of Thyroid Cancer, Neuroendocrine Tumors and Lymphoma
(The Role of Radionuclide Therapy).

18 CME Hrs. **May 2009**

-PACS Administration Course.

17 CME Hrs **April 2009**

-Innovative Approaches in Radiotherapy: Beyond Tomorrow.

13CME Hrs **March 2009**

2nd - Radiotherapy Treatment Planning Course

18 CME Hrs **December 2008**

3RD - International Saudi Conference on Medical Physics.

11 CME Hrs. **February 2008**

-Work shop title (PET/CT QA) held in conjunction with the 3RD International Saudi conference
on medical physics.

2CME Hrs **February 2008**

-Advances in Diagnostic and Interventional Radiology Symposium

19 CME Hrs **January 2008**
