

# Fahd Alqahtani

## Personal Data

Date of Birth: February 15<sup>th</sup> 1987  
Place of Birth: Riyadh, Kingdom of Saudi Arabia.  
Nationality: Saudi  
Marital Status: Single.  
Language: Arabic (Native), English (Advanced), and French (Beginner).  
Home Address: Al-monesyah, 37 Street  
Riyadh, Saudi Arabia  
E-mail Address: [fahd.alqahtani@gmail.com](mailto:fahd.alqahtani@gmail.com)  
[fahalqahtani@ksu.ed.sa](mailto:fahalqahtani@ksu.ed.sa)  
Phone Number: Mobile: +966500660162

## Education

2014 Master of Science in Petroleum Engineering  
University of Calgary, Schulich School of Engineering, Chemical and Petroleum Engineering Department.  
2010 Bachelor in Petroleum Engineering  
King Saud University, College of Engineering, Petroleum and Natural Gas Engineering Department.

## Teaching Experience

2010 Teaching Assistance  
King Saud University, College of Engineering, Petroleum and Natural Gas Engineering Department.

## Training and Workshops

2014 Oil Spill in Ice (Innovations in technology and techniques for oil spill preparedness, response and recovery)  
IBC Energy an informa business  
St. John's, Newfoundland, Canada  
2009 Benefits and Challenges of Horizontals and MRC Wells Benefits  
Schlumberger Dhahran, Oilfield Services Schlumberger  
Dhahran, Saudi Arabia  
2008 Reservoir Simulation Training  
Aramco, Reservoir Simulation and Description Department (RSDI)  
Dhahran, Saudi Arabia

## Conferences

2014 5<sup>th</sup> annual Arctic Oil and Gas North America  
IBC Energy an informa business  
St. John's, Newfoundland, Canada

## Research Experience

- Phase Equilibrium Condition on Gas Hydrate

## Awards

2010 Full scholarship for graduate studies from King Saud University.

## Affiliations/Memberships

- Member, Society of Petroleum Engineering (SPE).

## Computer Skills

- ICDL.
- Fortran.
- Visual Basic.

## Hobbies

- Travel.
- Soccer and Swimming.
