

Yousef Saud M Aleshaiwy

Date of Birth: 8/18/1988

Phone: +9665

Email: y.s.aleshaiwy@gmail.com

I have strong personality and good communication skills. Further, I have the ability to develop my own experience and use it to analyze people easily because I believe that there is nothing as strong as team spirit. However, one of my main objectives is looking forward to make my country one of the most notable countries in the tourism and hospitality industry to be one of the primary destinations for tourists.
