

## **EDUCATION**

The Pennsylvania State University	University Park, PA
Masters in Information Sciences and Technology	May, 2015
Bachelors in Information Sciences and Technology	May, 2013
Bachelors in Security and Risk Analysis	

## **RESEARCH INTERESTS**

Human Computer Interaction/ Collaborative Information Seeking  
Bridging the socio-technical gap in Computer Supported Cooperative Work (CSCW)

## **RESEARCH EXPERIENCE**

**Masters Thesis: A Study of the Socio-Technical Influences on Information and Communications Technology in Girls' Schools in Saudi Arabia**

**Dr. Madhu Reddy** **May, 2014- May-2015**

- To investigate Information Communications Technology (ICT) implementation in schools, I conducted an interview-based study of teachers and school administrators in six Saudi Arabian girls' public schools.
- The main goal of this study was to understand the factors influencing the teachers' perceptions of the use of technology in the classroom.
