RE: TALEB SALEH AL-MARRI

To whom it may concern,

It gives me great pleasure to write a recommendation letter in support for **Dr. Taleb Saleh Al-marri,** whom I have supervised during his rotation in the Department of Emergency Medicine at King Khalid University Hospital, Riyadh, Saudi Arabia as an Intern for the period of **March 2013**.

Dr. Al-marri is a hardworking Intern with excellent knowledge and clinical skills, which have been utilized in our very busy department. He proved himself to be a very competent and enthusiastic doctor who carries out his duties with great sincerity and commitment. His conduct and behavior with his colleagues and nursing staff were excellent.

Therefore, I strongly recommend his for any position he wishes to apply for as he will be a great asset to any institution he would work with in the future.

Sincerely,

Re: DR. TALEB SALEH ALMARRI
Medical Intern

It gives me great pleasure to write this letter of reference for Dr. Taleb AlMarri who did his Internal Medicine rotation during the period of 1st November till 31st January 2013.

Dr. Taleb is a very presentable young doctor whose knowledge in General Medicine as well as in the speciality, is quite adequate. During his training period he showed a sense of responsibility and enthusiam to his duties.

Dr. Taleb had a good performance in the punctuality and discipline aspects. He kept good standard of writing and record keeping.

Dr. Taleb demonstrated good attitude towards patients and their families, and also towards his seniors.

Therefore, I recommended hem for any training program. For any queries, please do not hesitate to call me on the numbers indicated below.
