CSC 212 Tutorial # 11
Binary Trees

14/12/2014

Important: This tutorial has an online part, which you should complete on LMS (tutorial section). The deadline for this task is December 18th at midnight.

Problem 1

Insert the following Keys in a B+ Tree of order 3. The tree is initially empty.
20, 50, 70, 75, 55, 25, 15, 45, 65, 53, 90, 95

Problem 2

Delete the following Keys from the B+ Tree you made in question 1.
20, 25, 90, 70
