### **Profile:**

I, Md. Izhar Alam (b. 1981), throughout first division in academic career, earned my Master and Ph.D. degrees in Economics from Aligarh Muslim University (AMU), Aligarh, India. I qualified *National Educational Test (NET)* for lectureship, conducted by University Grant Commission (UGC), New Delhi, India. I also qualified *Civil Services Exam* (main) conducted by Union Public Service Commission (UPSC). I have been awarded various scholarships such as *Post- Graduate merit scholarship*, *Hamdard National Foundation fellowship* for Civil Services Exam. I have good experience of teaching (more than 5 years) at under- graduate and post- graduate level as well as Industry (research) experience at *Ministry of Commerce & Industry, Govt. of India*. I worked as consultant from *Indian Institute of Foreign Trade (IIFT)* and posted at Department of Commerce, Ministry of Commerce & Industry (MoC&I), Govt. of India. I participated in various international trade negotiations between India and Latin America & Caribbean (LAC) countries and North American countries. I was a *member in a committee constituted by MoC&I, Govt. of India* to prepare a report on strategies for trade and investment between Indian and LAC countries. I have been selected as a member of *Research & Development committee* in Monad University, Uttar Pradesh, India. I am also the member in several academic committees of the College of Business Administration, King Saud University, KSA. I am a member in an editorial board of two research journals published research papers on financial economics and business economics. I presented several research papers in National and International Seminars/ Conferences and attended various workshops/training programmes on research methodology, International Trade modelling and Econometric modelling. My research papers have been published in various National and International research journals. International economics (trade, finance and investment) and macroeconomic issues are my area of research interest. I authored a book entitled "*Capital Inflows in India: A Macro econometric Analysis.*"
