General course instructions:

- Student are expected to attend classes on time, a 15 mins delay is considered as absence!
- Assignment are expected to be handed to the instructor at the beginning of the discussion class. Delayed assignment will not be accepted unless an official medical excuse is attached.
- Students are expected to attend all two of the med terms exams, however, absence in any will count as a total marks of zero out of 15. Second chance is not permitted unless official medical excuse is presented within a week from the missed exam date.

- **While in hospital :**

- Dress conservatively as with the collage defined uniform (long black skirt, lad coat, head scarf to fully cover the hair).Students showing otherwise will be excluded from the ward visit and marked as absent!.
- Respect the privacy of patients .
- Maintain order, silence and good public manners.
- Students are prohibited to disclose any information of the patient's file with the patient him/her self or any other on his/her behalf.
- Students are prohibited from performing any kind of intervention or interfering with the health care process at the hospital.
