

# Abeer Musaad Eid Aldawsari

Riyadh | 0552249777 | [aaldawsari2@ksu.edu.sa](mailto:aaldawsari2@ksu.edu.sa) | 17 October 1992

---

**Nationality:** Saudi

**ID no.:** 1075702058

## • Education:

---

**2015** Bachelor of Radiological Sciences, Collage of Applied Medical Sciences (CAMS), King Saud University (KSU), Kingdom of Saudi Arabia (KSA), Riyadh.  
**GPA:** 4.83 out of 5 (First class honors)

## • Academic Experience:

---

**Oct 2019 - until now** **Teaching Assistant** in Radiological Sciences Department, CAMS, KSU, Riyadh.

## • Clinical Experiences:

---

**Aug 2016 – Sep 2019** **MRI Technologist II** in Medical Imaging Department, at King Abdulaziz Medical City (KAMC) and King Abdullah Specialized Children Hospital (KASCH) in National Guard Health Affairs (NGHA), Riyadh.

**Feb 2015 - Feb 2016** **Internship** in Medical Imaging Department, KAMC & KASCH in NGHA, Riyadh.  
(Include 5 months subspecialty in MRI).

**June - July 2013** **Summer training** in Medical Imaging Department, Prince Sultan Military Medical City, Riyadh.

## • Researches: (unpublished researches)

---

**Feb 2018** Can Video Demonstration of MRI Related Information Reduce Patient Anxiety Prior to MRI Procedure? at NGHA, Riyadh.

**Feb 2016** The Effect of Manual Shimming on MR Spectrum Quality in Difficult Areas at NGHA, Riyadh.

**May 2013** A study on Radiation Protection Procedure in Some Riyadh Public and Private Hospitals at the Saudi Health Conference 2013, Riyadh.

## • Memberships & Achievements:

---

- 2019      **Member of Quality Committee** of Radiological Sciences Department, CAMS, KSU, Riyadh.  
**Member of Academic Advisory Committee** of Radiological Sciences Department, CAMS, KSU, Riyadh.  
**Member of Quality Committee**, assigned for MRI American Collage of Radiology (ACR) Accreditation project and updated MRI clinical Protocols at NGH, Riyadh.
- 2018      **Member of** Saudi Society of Medical Radiologic Technology (SSMRT), KSA.
- 2014      **The Ideal student** of Radiological Sciences Department, CAMS, KSU, Riyadh.

## • Courses Presentation:

---

- Aug 2019**      Speaker in MRI Advance Course & workshop: Physics & Applications, CAMS, KSU, Riyadh.
- Apr 2019**      Speaker in MRI Advance Course, Maternity & Children Hospital, Ministry of Health, Jeddah.
- Jan 2019**      Speaker in MRI Basic Review Courses & Workshop: Conceptual Physics and Techniques, CAMS, KSU, Riyadh.
- July 2018**      Speaker in MRI Review Course: Applications and Technical Considerations, CAMS, KSU, Riyadh.

## • Languages:

---

❖ **Arabic:** Native

❖ **English:** Excellent command

## • Skills:

---

❖ Computer skills      ❖ Leadership      ❖ Teamwork      ❖ Work under pressure      ❖ Time management

## • Training Courses & Workshops:

---

- 21 Nov 2019**      MR Learning Labs: The Principles, Challenges & Applications of Diffusion Weighted Imaging in the Body, ISMRM, online.
- Systematic reviews and meta-analysis workshop, Researchers Kit2 program by Research Center of Scientific and Medical Colleges in KSU, Riyadh.
- 29 Oct 2019**      CHILI - the Conference on Hybrid Imaging Live, online conference.
- 5 May 2018**      Updates in Radiology Imaging Techniques, SSMRT, Riyadh.
- 31 Mar – 1 Apr 2018**      2<sup>nd</sup> Annual Radiology Course for Non-Radiologist, King Saud bin Abdulaziz University for Health Sciences (KSAU-HS), Riyadh.

<b>Feb 2018</b>	Health Research Course in Health Education and Promotion Chair, Collage of Medicine, KSU, Riyadh.
<b>7-8 May 2017</b>	Radiology Course for Non-Radiologist, KSAU-HS, Riyadh.
<b>24-25 Feb 2016</b>	Functional MRI workshop at International Conference on Radiation Medicine (ICRM), King Faisal Specialist Hospital & Research Centre (KFSH&RC), Riyadh.
<b>24 Feb 2016</b>	Read with expert: Challenging Oncologic and Cardiac PET/CT cases workshop at ICRM, KFSH&RC, Riyadh.
<b>28 Jan 2015</b>	BLS instructor course at Life Support Training Center, King Khalid University Hospital (KKUH), Riyadh.

## Year

## Conferences & Forums

2017	International Congress in Health Informatics, KSAU-HS, Riyadh.
2016	7th Annual Forum for Medical Research, KSAU-HS, Riyadh.
	Saudi Health Exhibition and Conference, Riyadh.
	The 4th International Conference on Radiation Medicine at ICRM, KFSH&RC, Riyadh.
2015	Advances in Medical Imaging Technology, KKUH, Riyadh.
	Saudi health exhibition and conference, Riyadh.
	5th Patient Safety Forum, KSAU-HS, Riyadh.
2013	Saudi Healthcare Innovation Symposium, King Fahad Medical City, Riyadh.
	Saudi Health exhibition and conference, Riyadh.
2012	1st International Conference of the Saudi Osteoporosis Society, Marriot Hotel, Riyadh.
	The International Conference on Radiation Medicine at ICRM, KFSH&RC, Riyadh.

## • Volunteers and Community Services:

Participate in many events and activities for community services, the main ones are:

- International Day of Radiology at NGH. **2017,2016,2015,2014**
- Represent the Radiological Sciences students in student Advisory Council, CAMS, KSU. **2014**
- Children Cancer Awareness Day, King Fahad National Center for Children's Cancer, Riyadh. **2014**
- Contribution with the SSMRT at Saudi Radiology Technologists Conference, Saudi health exhibition and conference, Riyadh. **2013**
