

Brief Course Description

Course Title: Teaching and Learning English 1	Course Number and Code: CI 361
Pre-requisite: CI 334	Language of Instruction: English
Course level: BA TESOL	Credit Hours: 2+1 / week
Course instructor: Prof. Yousif Alshumaimeri (yousif@ksu.edu.sa)	TEL: 4674640

Module Description

This course intends to familiarize students with theoretical and practical considerations of language teaching and learning. The course investigates ways in which different approaches and methods can be utilized in a foreign language lesson. It aims to familiarize the students with the historical development of teaching English in the Kingdom and developing its objectives.

Module Aims

1. To describe and analyze different approaches to teaching English to speakers of other languages
2. To build students' understanding of basic concepts of language learning and teaching, including core principles of TESOL classroom practices
3. To widen students' knowledge and understanding of resources available for teaching English to teenagers and young learners.

Learning outcomes

After course completion student will be able to:

1. Understand and analyse approaches to teaching and learning languages;
2. Demonstrate an appreciation of the links between language learning and teaching;
3. Conduct a classroom observation professionally;
4. Plan lessons in a professional manner.
