The Title of the Ph. D. Thesis:

“Tropane Alkaloids of *Erythroxylum* Species of Mauritius”

Awarded by: Nottingham University, Nottingham, United Kingdom.

Academic History:

1414 H to Present	Professor, Department of Pharmacognosy, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia
1408 – 1414 H	Associate Professor Department of Pharmacognosy, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia
1402 – 1408 H	Assistant Professor Department of Pharmacognosy, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia
1398 – 1402 H	Ph.D. Scholarship in UK from KSU.
1397 H	Teaching Assistant, Department of Pharmacognosy, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia

Administrative History

1436 H-todate	Member of Alfaisal University Trustees Board.
1433-1434 H	Head of KSU Rector Consultative Committee.
1431 H-todate	Vice-President of Arab East Colleges for Higher Studies.
1430 H-todate	Director of Medicinal, Aromatic and Poisonous Plants Research Center (MAPPRC).
1427 to 1430 H	Chairman of KSU Scientific Council, KSU, Riyadh, Kingdom of Saudi Arabia
1427 to 1430 H	Secretary General of KSU council, Riyadh, Kingdom of Saudi Arabia
1427 to 1430 H	Rector Deputy for Graduate Studies and Scientific Research, KSU, Riyadh KSA.
1424 – 1427 H	Rector Deputy for Studies, Development and Follow up, KSU, Riyadh KSA.
1419 – 1424 H	Dean of College of Pharmacy, KSU, Riyadh, KSA.
1418 – 1420 H	Director of Medicinal, Aromatic And Poisonous Plants Research Center (MAPPRC)
1410 – 1413 H	Dean of the Student Affairs deanship, KSU, Riyadh, KSA.
1406 – 1410 H	Deputy Dean of the Student Affairs deanship for Scientific & Cultural Activities, KSU, Riyadh, KSA.
1402 – 1405 H	Secretary of the Council of the Department of Pharmacognosy, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia

Teaching Assignments

- Teaching of Pharmacognosy courses at graduate and undergraduate programs levels.
- Teaching CAM courses to Pharm.D. students.
- Part - time lectures to Prince Naief University students in Criminal Science Laboratory.
- Lectures on Medicinal Plants addressed to Private Sector Pharmacists.
- Lectures on Alternative Medicine and Herbal Medicinal Plants in Public or Conferences.

Awards and Honours

1437 H	Commendation Letter from the Dean, College of Pharmacy, KSU.
1436 H	Certificate of Commendation from the Dean, College of Pharmacy, KSU.
1435 H	Commendation Certificate from KSU Vice-President for Higher Studies and Scientific Research.
1435 H	Patent certificate from European Patent Office.
1430 H	King Saud University Gold Medal .
1427 H	Letter of Commendation and a shield from the President of the Saudi Food & Drug Authority.
1426 H	Letter of Commendation from The General Secretary of the Saudi Antismoking Charitable Association, Riyadh, KSA.
1426 H	Awarded the best book translated to Arabic in the field of science by Kuwait Establishment for Science Advancement.
1426 H	The best book translated into Arabic Prize from Kuwait Foundation for the Advancement of Sciences (KFAS).
1425 H	Letter of Commendation from the Deputy Supervisor of King Abdulaziz Public Library, Riyadh, KSA.
1425 H	Certificate of Commendation from His Excellency KSU Rector, KSA.
1422 H	Letter of Commendation from the General Director of the General Directorate of Education of Riyadh District and the Director Talented Students Centre, KSA.
1422 H	Letter of Commendation from the Secretary of the Association of Colleges of Pharmacy in the Arab World
1422 H	Letter of Commendation from HE Minister of Ministry of Health, KSA
1422 H	Certificate & Letter of Commendation from WHO, Geneva.
1421 H	Certificate of Commendation from His Excellency KSU Rector.
1418 H	Letter of Commendation from HRH Prince Sultan bin Abdulaziz, the Premier and the Minister of MODA, KSA.
1417 H	Letter of Commendation from the Deputy Minister of The Ministry of Information, KSA.
1415 H	Letter of Commendation from High Commission Office to Collect Donations for Bosnia and Hirsch.
1413 H	Letter of Commendation from Disabled Children's Association Board Chairman

1405 – 1406 H	Member of the Committee to Study & Follow up the College of Pharmacy Graduates, KSU.
1405 – 1407 H	Secretary of the Library Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.

1405 – 1408 H	Secretary of the Staff Affairs Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1404 – 1405 H	Member of the Staff Affairs Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1404 – 1405 H	Member of Final Examination Process Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1404 – 1405 H	Member of College of Pharmacy Manual Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1404 – 1424 H	Drug museum Supervisor, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403– 1405 H	Member of Volunteers remuneration regulations Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403 – 1404 H	Editor in Chief of the Student Magazine, Student Affairs Deanship, KSU.
1403 – 1407 H	Supervisor of the Scientific Unit, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403– 1405 H	Students Scientific Domestic Tours Supervisor, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403– 1404 H	Member and Liaison Officer of the University 4 th Plan Working Group, KSU.
1403– 1413 H	Academic Counselor, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403– 1406 H	Member of the Occupational Relations and Continuing Education Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403– 1404 H	Member of the Scientific Services Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1403– 1404 H	General Supervisor of the Cultural Activities in KSU and the University representative in the Activities Council, KSU.
1403 – 1405 H	Member of the Executive Preparatory Committee of the 3 rd Drug Symposium in KSA and the Secretary of the Media Committee for the symposium.
1402– 1404 H	Member of Community Services Committee, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia.
1402 – 1403 H	Member of the Faculty Final Examinations Process Committee, College of Pharmacy, KSU
1402 -1403 H	Member of the Committee to constitute the Saudi Pharmaceutical Society (SPS)

1402 – 1425 H	Secretary of the Board of the Department of Pharmacognosy, College of Pharmacy, KSU, KSA.
1402– 1406 H	Supervisor of the Cultural Activities Committee, College of Pharmacy, KSU, KSA.

Scientific and Professional Association Membership

1. Member of the American Society of Pharmacognosy.
2. Member of the Saudi Biological Society (SBS).
3. Member of the Saudi Pharmaceutical Society.
4. Member of the Asian Advanced Medical Sciences Research Centre.
5. Member of Natural Drugs Association, UK.
6. Member of the International Association of Science of Traditional Asian Medicine, Japan.
7. Member of the Scientific Society of Pharmacy Colleges in the Arab World, Damascus, Syria.
8. Founding Member of the Saudi Anti Smoking Charitable Association.
9. Member of the Consultation Committee of the Commission on Scientific Signs of Qur'an, Riyadh Office, KSA.
10. Member of the International Society for the History of Islamic Medicine, Qatar.
11. Honour Member of The Saudi Osteoporosis Club (SOC)
12. Honour Member of the Saudi Nuclear Medicine Club.

Councils Membership

1403 – 1407 H	Member of Students Fund Council, KSU.
1410 -1413 H	Head of the Board of Directors of Students Fund Council, KSU.
1404 – 1405 H	The College of Pharmacy council member, College of Pharmacy, KSU, Riyadh, KSA.
1414 – 1417 H	The College of Pharmacy council member, College of Pharmacy, KSU, Riyadh, KSA.
1404 – 1408 H	Member of Council of the Reach Centre, College of Pharmacy, KSU, Riyadh, KSA
1410 -1419 H	Council of the Reach Centre, College of Pharmacy, KSU, Riyadh, KSA.
1404 – 1408 H	Member of the Medicinal, Aromatic And Poisonous Plants Research Center, (MAPPRC), College of Pharmacy, KSU, Riyadh, KSA.
1410 – 1413 H	Member of KSU Council, KSU.
1419 H to Present	Member of KSU Council, KSU.
1412 – 1417 H	Member of the Board of Saudi Arabian Boy Scouts Association, KSA.
1420 H to present	Member of the Consultation Commission of the Arab Pharmaceutical Science Magazine, Damascus, Syria.
1427 H to present	Member of the Consultation Commission of Security Research Magazine issued by Research and Studies Centre, King Fahd Security College, Riyadh, KSA.
1427 to 1430 H	Chairman of The Scientific Council, KSU, KSA.
1427 to 1430 H	The President of the Permanent Committee for Teaching Assistants, Lecturers and Languages Instructors Affairs, KSU.
1427 to 1430 H	President of the University Committee at Janadria Festival.
1427 to 1430 H	President of KSU's Permanent Committee of Deputation
1427 to 1430 H	President of KSU's Permanent Committee of Scholarships and Training.
1428 H to present	Member of the Consultation Commission of the International Magazine for Health Sciences, Faculty of Medicine, Qassim University, KSA.
1427 to 1430 H	Member of the High Consultation Commission for Advanced Strategic Technologies, King A.Aziz City for Science and Technology (KACST), KSA
1428 H	Member of the Consultation Commission of the Alternative Medicine Magazine, KSA.

1431 H – date	Member of Arab East Colleges Board of Directors.
1433 – 1434 H	Head of KSU Rector Consultative Committee.
1436 H – date	Member of Alfaisal University Board of Trustees.

Arbitration of Books, Projects and Researches

Arbitration of Books, Projects and Researches and monographs of WHO, General Directorate of Narcotics, King A.Aziz City for Science and Technology (KACST), and Scientific Research to Security Magazine issued by General Directorate of Public Relation and Guidance, MOI, KSA, and Research arbitration for the Arab Pharmaceutical Science Magazine, Damascus, Syria, and, also, Supervises Student Graduation Projects, College of Pharmacy, KSU, Riyadh, KSA. Member of a number of Scientific Research Projects sponsored by the Deanship of Scientific Research, KSU.

Domestic Assignments in KSA

1404 H	Member of the delegate of the College of Pharmacy, KSU to visit pharmaceutical Solution Industry plant in Jeddah, KSA.
1405 H	Member of KSAU team that was tasked to pay orientation visits to the students of Secondary Schools in Riyadh.
1407 H	Head of KSU delegate participating in Saudi Universities Cultural Event, King Fahd, Dhahran, KSA.
1408 H	Participation in the 3 rd Festival of Poetry & Fiction of the GCC States Organized by the General Presidency of Youth in Abha, KSA.
1408 H	KSU representative to the Meeting of the Rector Deputies of the Student Affairs Deanships of Saudi Universities.
1409 H	KSU representative to the Meeting of the Rector Deputies of the Student Affairs Deanships of Saudi Universities.
1411 H	Member of KSU delegate to visit Northern Region of the KSA that was invited by MODA Information Committee.
1412 H	Head of KSU delegate to the 5 th Meeting of the Rector Deputies of the Student Affairs Deanships of GCC Universities at Imam Mohammed Bin Saud Islamic University, Riyadh, KSA.
1413 H	KSU representative to the meeting of the Organizing Sport Committee of the GCC Universities 1 st Sport Championship, Jeddah, KSA.
1416 H	Companion of Monbilila University and Michael Laboratories during their visit to the University.
1424 H	KSU representative to receive Prince Faisal bin Bandr for the best scientific dissertation on Palms
1424 H	KSU representative in “the Committee for Distance and eLearning “formed by the Ministry of Higher Education, KSA.
1427 – 1430 H	Attended a number of KSU Scientific Societies meetings.
1430 H	Visit to KAUST – Thoul.
1432 H	Visit to Nagraan University
1433 H	Visit Hail University.

Assignments Abroad

1406 H	Head of KSU delegate participating in the 2 nd GCC Universities Cultural Festival organized by Al Ain University, Abu Dhabi, UAE.
1413 H	KSU representative to the Meeting of the Rector Deputies of the Student Affairs Deanships of GCC Universities held in Kuwait University, Kuwait.
1420 H	KSU representative to the Meeting of the Deans of Colleges of Pharmacy in the Arab world, Tanta University, Egypt.
1421 H	Visit to the Islamic Organization of Medical Sciences, Kuwait.
1422 H	KSU representative to the Meeting of the Deans of Colleges of Pharmacy in the Arab world, Amman, Jordan.
1423 H	KSU representative to the Congress of the Colleges of Pharmacy in the Arab world, College of Pharmacy, Ajman University of Science & Technology, UAE.
1425 H	KSU representative to the 12 th Conference of the International Association of Universities (IAU), Sao Palo, Brazil.
1428 H	Head of KSU delegate to the 40 th congress of the Association of Arab Universities held in Sana'a, Yemen.
1428 H	KSU representative in the 1 st Scientific Meeting to the Saudi Students in UK and Ireland held in New Castle.
1428 H	Member of MOHE delegate to visit UK universities in response to the British Council invitation.
1428 H	Member of MOFA delegate to participate in the Saudi/British Forum in London: "Two Kingdoms Dialogue – Kingdoms Shared Challenges".
1429 H	Member of KSU team for the 2 ^{na} Saudi students conferment held in Leeds, U.K.
1429 H	KSU representative in the 60 th conference on the international association of universities – Utrecht- Holland 15-18/7/2008.
1430 H	KSU representative in the 3 rd Saudi students in U.K. Ireland meeting –Surrey , U.K
1430 H	KSU representative to visit Oxford, Cambridge, Manchester University Press.
1432 H	The Chairman of the Middle East Pharmacists Meeting, Cairo, Egypt.
1436 H	Member of KSU team to visit London University College, U.K.
1436 H	Member of the College of Pharmacy team – KSU to visit Kew Botanical Gardens, London, U.K.

Scientific Research Projects

1404 – 1407 H	Co – Investigator of “Folk Medicine subsidized by King A.Aziz City for Science and Technology (KACST), Riyadh, KSA.
1407 – 1411 H	Member of the Datura Project Team, MOH, KSA.
1414 – 1416 H	Principle Investigator of a research entitled:” Microbic Changes of Phytoestrogens” supported by Research Centre, College of Pharmacy, KSU.
1417 – 1422 H	Principle Investigator of a research entitled:” Micro-Propagation (Tissues Plant) to Produce Effective Substances from Medicinal Plants” supported by KACST.
1424 – 1427 H	Member of Teaching Staff Appraisal Project
1433 H – date	Co-Investigator of a project entitled: "Novel Quinazolinone, Quinoline and Thienopyrimidine Derivatives Containing Biologically Active Sulfonamide Moiety as a new Class of Antineoplastic Agents", (KACST).
1434 H – date	Phytochemical and Biological Evaluation of an Ethnopharmacologically Selected Medicinal Plants for their Major Classes of Phytochemicals and Biological Activities – Deanship of Scientific Research – KSU. RGP-VPP-262.
1434 H – date	Anticancer Agents – Deanship of Scientific Research – KSU. Pr. No. 302.

Workshops and Training

- 1437 H Webinar entitled: "Understanding Innovation in a Competitive Online Learning Environment," presented in U.S.A. by Dr. Richard Feenstra.
- 1436 H Work through Innovation, College of Medicine – KSU.
- 1436 H Workshop: Establishing and Distribution of Electronic Content – Deanship of Electronic Education – KSU.
- 1436 H Workshop: Developing Institutional Leadership; Deanship of Skills Development Deanship, KSU.
- 1436 H Bruker Triple Quadrupole Mass Spectrometer – College of Pharmacy – KSU.
- 1435 H Attending the workshop "Innovation Industry," the Japanese Experience – KSU.
- 1434 H Head of a scientific session in the workshop entitled: "The Challenges Facing Scientific research in KSU."
- 1434 H Attending a brain-storming session about the Development of Research in Vice-Rector Office.
- 1432 H Head of MEA Regional Meeting – Cairo – Egypt.
- 1431 H Attend Workshop in Dubai – UAE.
- 1430 H Attend workshop in Kuwait – strategic leadership.
- 1426 H Attend "Efficient Management Skills" Workshop. U.A.E.
- 1425 H General supervisor of "Administrative Correspondences Process Evaluation" Workshop, KSU, Riyadh, KSA.
- 1425 H General supervisor of "Modern Technology Educational Applications' workshop, KSA.
- 1425 H General supervisor of the 2nd meeting of KSU Departments Heads, KSU, Riyadh, KSA.
- 1424 H Participation in the 2nd workshop for Herbal Medicine Regulation Organized by EMRO, WHO, Abu Dhabi, UAE.
- 1418 H Attend a lecture: " " John Kutam from Diwnex Company
- 1403 H Participation in three Forums between Colleges of Pharmacy in KSU and Purdue University, USA, as part of the cooperation program between them.

Supervision of Graduate Students

- Supervisor of various students for higher studies at the Department of Pharmacognosy, College of Pharmacy, King Saud University.
- Supervisor of some Medical Students at National Guard Hospital in Jeddah, KSA.

Scientific Expeditions

- ◇ Performed many visits and interviewed with the Folk Medicine practitioners in different parts of Kingdom of Saudi Arabia.
- ◇ Comprehensive survey Kingdom wide during the “Datura Project” and other related poisonous plants.
- ◇ Performed many Scientific Expeditions Kingdomwide to collect Medicinal Plants, annually.
- ◇ Visited many Pharmaceutical Plants that manufacture Herbal Medicines in Germany, France, Japan and South Africa.
- ◇ Visited Gulf Pharmaceutical Industries (Julphar), Ras Al Khaimah, UAE, 1419 H.
- ◇ Visited Strategic Saudi Storage Project Site – 1420 H.
- ◇ Visited a Chinese Medicine Hospital – Beijing, China – 1421 H.
- ◇ Visited Gulf Pharmaceutical Industries (Julphar), Ras Al Khaimah, UAE, 1422 H.
- ◇ Visited Botanical Gardens and Tea Farms in Mauritius Island in the Indian Ocean – 1424 H.
- ◇ Visited the Exhibition & Conference of the Natural Products – Dubai 1426 H.
- ◇ Visited Kuwait Foundation for the Advancement of Sciences (KFAS) – 1426 H.
- ◇ Visited Botanical Garden Aberdeen University, United Kingdom 1428H.
- ◇ Visited Islamic university- Malaysia 1429 H.
- ◇ Visited Natural Products Exb. Dubai, 1434 H.
- ◇ Visited Botanical Garden in Lublin – Poland, 1436 H.
- ◇ Visited Kew Botanical Gardens in London, U.K. 1436 H.

Media & Press Activities

- ◇ Write a number of articles to the local Saudi Press.
- ◇ Interviewed by a number of the local Saudi Press.
- ◇ Broadcast Interviews and dialogues by Saudi Broadcast
- ◇ Interviews by Saudi TV Channel One & Two.
- ◇ An interview by the World (Ala'am) Magazine.
- ◇ An Interview with Panorama Channel (1425 H)
- ◇ Many Interviews with Broadcasts & TV channels on the occasion of the Golden Jubilee of KSU (1427 H).
- ◇ Moderates KSU Rector meeting with the University Staff (1428 H).
- ◇ Meeting with Resalat AlJamah, KSU. 1430 H.
- ◇ Meeting with College of Pharmacy students (1431 H).
- ◇ T.V. interview with prep. Year students (1431 H).
- ◇ Meeting with Students of the College of Pharmacy, KSU, 1436 H.

Books

- Co-author of a book entitled: "Saudi Plants used in Folk Medicine" published by Scientific Research Administration, King A.Aziz City for Science and Technology (KACST), 1987 (1407 H).
- Co-author of the Encyclopedia of the history of Science, Technology and Medicine in non-western cultures – Hampshire College, Massachusetts State, USA, Published by Kluwer Academic Publishers (1987).
- Co-author of a book entitled: "Herbal Medicine – Present and Future" – Riyadh (1413 H), Published by the Executive Council of Health Ministers of GCC States.
- Co-author of a book entitled: "Flora of Saudi Arabia", Riyadh (1419 H), KSA.
- Co-author of a study entitled: "Herbal Medicine in GCC States – Present and Prospects – 1419 H" Published by the Executive Council of Health Ministers of GCC States.
- Co-author of a book entitled: "Flora of Arabian Peninsula and socatra", Riyadh (1419 H), KSA.
- Co-author of "the Encyclopedia of Saudi Folk Medicine", Published by Al Dairah, Riyadh 1413 H, KSA.
- Co-author of the Consolidated Regulations of Herbal Drug Registration Code in GCC States, 1422 H – Publisher: "the Executive Board of Health Ministers of GCC States."
- Co-author of Volume II on "the Medical & Aromatic Plants" of the book entitled: "Biotechnology in Agriculture and Forestry", 2002 (1423 H).
- Co-author of an Encyclopedia entitled: "The Encyclopedic of Folk Medicine in Saudi Arabia."

Books Translation

Co-author of the translation of the famous book entitled: "Pharmacognosy" by Trease & Evans, 1413H, Published by the Arabian Centre for Arabization, Translation, Publication and Writing, Damascus, Syria.

Scientific Conferences & Symposiums

1. Drug Control Course - College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia (Attendance and Lecturer) (1982).
2. Antibiotics Course - College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia (Attendance) (1983).
3. The 8th Saudi Medical Conference - Riyadh, KSA (1983).
4. Dermatological and Ophthalmology Diseases & Treatment, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia (Attendance) (1983).
5. **M.S. Al-Said**, "Pharmacognostical and Biological Studies of *Prunus mahaleb* L." 7th Symposium on the Biological Aspects of Saudi Arabia, KSU, Qassim (1984).
6. "Narcotics and its Affects in Society", KSU, KSA. (1984).
7. **M.S. Al-Said** and M. Tariq, "Studies on Anti-inflammatory Activity of *Capparis spinosa*." Fifth Asian Symposium on Medicinal Plants and Spices, Seoul, Korea (1984).
8. 9th Symposium on the Biological Aspects of Saudi Arabia, King Faisal University, Al Hassa, KSA (1984).
9. M.A. Al-Yahya, M. Tariq, J.S. Mossa, I.A. Al-Meshal and **M.S. Al-Said**. "Studies on Toxic Fraction Isolated from *Cleome crysantha*." 6th European Symposium on Animal, Plant and Microbial Toxins, Basle, Switzerland (1984).
10. J.S. Mossa, A.M. Ageel, M.A. Al-Yahya, **M.S. Al-Said** and M. Tariq. "Studies on Antiinflammatory Activity of *Balsamodendron myrrha*, Nees," International Symposium on Chinese Medicinal Material Research, Hong Kong (1984).
11. 3rd Symposium of Drug in Saudi Arabia, College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia(KSA) -(Attendance) – Member of the Executive Committee and Secretary of the Media and Publication Committee (1984).
12. **M.S. Al-Said**, and M.S. Hifnawy, "Isolation and Identification of Certain Compounds from *Prunus mahaleb* L. Seeds." 8th Symposium on the Biological Aspects of Saudi Arabia, King Faisal University, Al-Hassa (1985).
13. 6th Academic Guidance (Counseling) Seminar, KSU, Riyadh, Kingdom of Saudi Arabia (Attendance) (1985).

56. The 5th Conference of the Homeopathic Societies of the World, Paris, France (1994).
57. The 16th annual Meeting of the Saudi Biological Society (SBS), College of Science, KSU, Riyadh, Kingdom of Saudi Arabia (1994).
58. M.M. El-Olemy, H. Elhag, M. El-Domiaty, E. Abdel Sattar, M.M. Al-Azizi and **M.S. Al-Said**. “Biotransformation of Digitoxigenin by Cell Suspension Cultures of *Pergularia tomentosa* and *Ammi visnaga*.” VIIIth International Congress of Plant Tissue and Cell Culture, Frieze, Italy, June 12-17 (1994).
59. **M.S. Al-Said** (Attendance). The Fifth Conference for Homeopathic Societies of the World – Paris, France (1995).
60. **M.S. Al-Said** (Attendance). The Sixteenth Annual Meeting of the Saudi Biological Society (SBS), College of Science, KSU – Riyadh, Kingdom of Saudi Arabia (1995).

61. **M.S. Al-Said.** *Datura stramonium* and other Solanaceous Plants, Narcotics Symposium, General Directorate of Drug Control – Ministry of Interior – Riyadh, Kingdom of Saudi Arabia (1996).
62. The International Symposium on Herbal Medicine, chairing one of the Scientific Sessions and presented a Paper, King Fahd Hospital, Jeddah, KSA (1996).
63. Narcotics Course, General directorate of Drug Control, Riyadh, KSA – Present a lecture (1996).
64. **M.S. Al-Said** (Attendance). Providing and Sponsoring Health Services, the Responsibilities between Government and Private Sector. Riyadh Commercial Room in Cooperation with General Secretary of G.C.C. States and Al-Tawania for Insurance. Riyadh, Kingdom of Saudi Arabia (1997).
65. **M.S. Al-Said.** Herbal Medicine and the Role of the Executive Office of the G.C.C. Health Ministers Council. The International Symposium on Herbal Medicine; also Chairing one of the Scientific Sessions, King Fahad Hospital, Jeddah, Kingdom of Saudi Arabia 24–27/5/1997.
66. H. Elhag, M.M. El-Olemy and **M.S. Al-Said.** “*Pergularia tomentosa* Normal and Transgenic Tissue Cultures and Production of Secondary Metabolites.” The Second Annual Meeting of the Association of Colleges of Pharmacy in the Arab World, Lebanese American University, Byblos, Lebanon, October 16–18 (1998).
67. Drug Information Association (DIA) Conference, Washington D.C., U.S.A. (1998). (**M.S. Al-Said**, Attendance).
68. H. Elhag, M.M. El-Olemy and **M.S. Al-Said**, Production of Anthocyanins and Extracellular Polysaccharides by Cell Cultures of *Pergularia tomentosa*, New Crops and New uses: Biodiversity and Agricultural Sustainability, Association for the Advancement of Industrial Crops, Purdue University Center for New Crops and Plant Products, New Uses Council Inc., Hyatt Regency Hotel, Phoenix, Arizona, U.S.A., November 8–11 (1998).
69. A Symposium Organized by the Executive Council of Health Ministers of GCC States, Muscat, Oman, presented a paper titled:” Herbal Medicine – Present and Future perspective” (1998).
70. World Health Organization (WHO) Consultation Meeting on Medicinal Plants, Salerno, Italy, 1–5 March (1999). (**M.S. Al-Said**, Attendance).
71. The Second Meeting of the Deans of Colleges of Pharmacy in the Arab world, Tanta University, Egypt (1999).
72. “Herbal Medicine, Present and Future Prospective.” The Annual Meeting of the Ministers, of Health in G.C.C. Countries, Muscat, Oman (1999), (**M.S. Al-Said**, Attendance).

73. H. Elhag, M.M. El-Olemy and **M.S. Al-Said**, Production of Artemisinic Compounds by Hairy Root Cultures of *Artemisia annua*, Nineteenth Annual Meeting on Biological Sciences through Course of Foundation and Development of the Kingdom of Saudi Arabia, Faculty of Science, King Abdulaziz University, Jeddah, Kingdom of Saudi Arabia, February 16–18 (1999).
74. M.M. El-Olemy, H.M. Elhag and **M.S. Al-Said**, Biotransformation of Menthol and Thymol by *Nigella sativa* Suspension Cultures, The Third Annual Meeting of the Association of Colleges of Pharmacy in the Arab World, Faculty of Pharmacy, Tanta University, Egypt, October 14–16 (1999) (Attendance).
75. The Third Annual Meeting of Deans of Colleges of Pharmacy in the Arab World; Tanta University, Tanta, Egypt, October 14–16 (1999). **M.S. Al-Said** (Attendance).
76. H. Elhag, M.M. El-Olemy and **M.S. Al-Said**. Induction of Somatic Embryogenesis in Callus Cultures of *Pergularia tomentosa* L., the Fourth Princess Chulabhorn International Science Congress, Chemicals in the 21st Century, Chulabhorn Research Institute, Bangkok, Thailand, 28th November – 2nd December (1999).
77. 5th Saudi International Pharmaceutical Conference, Saudi Pharmaceutical society in Collaboration with College of Pharmacy, KSU, Riyadh, KSA (1999).
78. International Symposium on Traditional Medicine, Awaji Island, Japan, I also a moderator of one session (September 11 -13, 2000).
79. 7th International Congress on Ethnobiology, University of Georgia, USA (23 -27 October 2000).
80. International Conference for Pharmaceutical Care – Back to the Future, Pharmaceutical Services Administration, King Fahad Hospital, National Guard, Riyadh, Kingdom of Saudi Arabia (2000). **M.S. Al-Said** (Attendance).
81. A.J. Al-Rehaily, **M.S. Al-Said**, M.A. Al-Yahya and S. Rafatullah. Anti-inflammatory and Antiulcer Activity of Allspice (*Pimenta dioica* L.) in Laboratory Animals, The 20th Annual Meeting of the Saudi Biological Society (SBS), College of Veterinary Medicine and Animal Resources, King Faisal University, Al-Ahsa, Kingdom of Saudi Arabia, Feb. 1–3 (2000).
82. M.M. El-Olemy, H.M. Elhag and **M.S. Al-Said**. Biotransformation of Menthol and Thymol by *Nigella sativa* suspension cultures, Twentieth Annual Meeting of Saudi Biological Society (SBS), College of Veterinary Medicine and Animal Resources, King Faisal University, Al-Ahsa, Kingdom of Saudi Arabia, February 1–3 (2000).

83. H. Elhag, M.M. El-Olemy and **M.S. Al-Said**. Induction of Cardenolide Biosynthesis Concomitant with the Induction of Embryogenic Callus in *Pergularia tomentosa*. Twentieth Annual Meeting of Saudi Biological Society (SBS), College of Veterinary Medicine King Faisal University, Kingdom of Saudi Arabia, February 1–3 (2000).
84. International Conference for Traditional Medicine – Ministry of Traditional Medicine in Collaboration with WHO – Beijing – China, 22–24 April (2000), (Attendance). Member of the Academic Committee of the Conference, also chairing one of the Scientific Sessions. **M.S. Al-Said** (Attendance).
85. S. Rafatullah, **M.S. Al-Said**, A. Al-Ruhaily, M. Al-Yahya; Traditional/Complementary Medicine: Valuable Aid to Control Chronic Diseases. The International Symposium on Challenges in Managing Symptoms of Chronic Diseases; Security Forces Hospital, Riyadh, Kingdom of Saudi Arabia, 20th May (2000).
86. **M.S. Al-Said**. Worldwide Traditional Arabic Medicine and Unani Practice, also a moderator to one of the working groups session (2). The Potential for Cross-national Evaluations Using Common Protocols and Measurements. International Symposium on Traditional Medicine, Awaji Island, Hyogo Prefecture, Japan, September 11–13 (2000).
87. Al-Rehaily, A.J., M.O. Al-Suhaibani, J.S. Mossa, **M.S. Al-Said**, M.A. Al-Yahya, and S. Rafatullah. Long Pepper (*Piper longum* L.), a crude drug used as an antiulcer remedy in Arab Traditional Medicine, 7th International Congress on Ethnobiology, Department of Anthropology, University of Georgia, GA, U.S.A., 23–27 October (2000).
88. Fifth Saudi International Pharmaceutical Conference; Saudi Pharmaceutical Society in Collaboration with College of Pharmacy, KSU, Riyadh, Kingdom of Saudi Arabia, (2000), (**M.S. Al-Said**, Attendance).
89. Health Economics Symposium. Ministry of Health, organized at King Abdul Aziz Historical Center, Attendance and chairing the third scientific session entitled “Drug Economics,” Riyadh, Kingdom of Saudi Arabia, 14–15 April 2001 (**M.S. Al-Said**, Attendance).
90. **M.S. Al-Said**, Herbal Medicine, Alternative Medicine and the Role of College of Pharmacy, KSU. Chairman of one of the Workshops, also Co-chairman of one of the Scientific Sessions and Head of the Conference Recommendations Committee. International Symposium on Complementary and Alternative Medicine. Northern Area Armed Forces Hospital, Hafar Al-Batin, Kingdom of Saudi Arabia, 1–3 May (2001).
91. Third WHO Consultation on Selected Medicinal Plants and The WHO Informal Meeting on Methodologies for Quality Control of Finished Herbal Products, Ottawa, Canada, 16–21 July (2001) (**M.S. Al-Said**, Attendance).

92. The Fifth Scientific Conference of the Society of Colleges of Pharmacy in the Arab World and the 2nd International Conference of College of Pharmacy, Jordan University, Amman, Jordan, 16–18 October (2001) (**M.S. Al-Said**, Attendance).
93. H. Elhag, M.M. El-Olemy and **M.S. Al-Said**. Somatic Embryogenesis in *Nigella sativa* – An Alternative Approach, 21st Annual Meeting of the Saudi Biological Society (SBS), King Khalid University, Abha, Kingdom of Saudi Arabia, April 9–11 (2002).
94. H. Elhag, M.M. El-Olemy and **M.S. Al-Said**. Induction of Somatic Embryogenesis in Callus Cultures of *Pergularia tomentosa*, The Arab Conference on Medicinal Plants, Arabian Gulf University, Manama, Kingdom of Bahrain, May 13-15 (2002).
95. **M.S. Al-Said**. Two Presentations: 1. Introduction to alternative Medicine (in Arabic) 2. Saudi Folk Medicine: Fact and Fiction (in English). Also Moderator for the open forum, International Integrated Medicine Symposium, King Faisal Specialist Hospital and Research Center, Jeddah, Kingdom of Saudi Arabia, May 14–16 (2002).
96. K.Y. Orabi, K.A. El-Sayed, M.T. Hamam, D.C. Dunbar, **M.S. Al-Said**, T. Hega and M. Kelly. Araguspongines K and L, New Bioactive Bis-1-oxaquinolizidine-N-Oxide Alkaloids from a Red Sea Sponge, 43rd Annual Meeting of the American Society of Pharmacognosy and 3rd Monroe Wall Symposium, New Brunswick, NJ, July 27-31 (2002).
97. **M.S. Al-Said**. Experience of Saudi Arabia in the Legislation of Herbal Medicine, also Moderator of the First Session; International Seminar on Integration of Traditional Medicine (Complementary/Alternative Medicine and Modern Medicine. The Symposium Organized by the Islamic Organization for Medical Sciences in Collaboration with WHO (EMRO) and ISESCO, Cairo, Egypt, October 12–15 (2002).
98. The 6th Scientific Congress of the Association of Colleges of Pharmacy in the Arab World and the 1st International Conference of Faculty of Pharmacy and Health Sciences – Ajman University of Science and Technology, Ajman, United Arab Emirates, October 19–21 (2002), (**M.S. Al-Said**, Attendance).
99. The second Regional Workshop on Regulation of Herbal Medicines, organized by EMRO, WHO. Abu Dhabi, UAE, 7-9 June 2003 (**M.S. Al-Said**, Attendance, invitation from WHO).
100. **M.S. Al-Said**, Folk medicine: The Saudi Experience, Global Summit on Medicinal Plants, Mauritius, 25-30/10/2003.
101. Moderator of Dr. Fawaz Al – Alami, Deputy Minister of Ministry of MOCI Speech on:” The Effects of joining of KSA to WTO on general education and high education”, KSU, KSA (2004).
102. The 12th conference of IAU (International Association of Universities. Sao Paulo- BRAZIL, July 25-29 (2004), (**M.S. Al-Said**, Attendance).

103. 2nd International Conference and Exhibition of Natural products, Dubai, UAE, 4-7/12/2004.
104. Chaired a Session of "High Education Institutions Staff Development", KSU, KSA (2004).
105. Attended The Arab Health Conference, Dubai, UAE (2005).
106. Second pharmacist Day – A New Era in Pharmacy Practice. Security Forces Hospital – Riyadh. Saudi Arabia- 16-17/11/2005 (Attendance a Head of the third scientific session).
107. Chaired A Forum on "Public Saudi Libraries Development Requirement" - Public Saudi Libraries Forum – Present Challenges and Future Prospects" – 27 – 28/2005, KSU. The Participants are: HE Civil Service Deputy Minister / Abdul Rahamn Al Abdul Qadier, HE Minister of Education Deputy Minister/Ibrahim Al Missnd, HE Minister of Information Deputy Minister/ Dr. A. Aziz Al Sabiel, HE Minister of Islamic Affairs and Endowment (AWQAF), Dawa and Guidance Deputy Minister/ Tawfiq Al Sydairy, Dr. Hisham Abass, Library & Information Sciences Department, KAU, Dr. Abdul Karim Al Zaid, Deputy Supervisor of King Abdul Aziz Public Library, Dr. Khayria Al Saqaf, Faculty of Education, KSU.
108. International Symposium on Food and Drug Regulation – Head of scientific session about "regulation of herbal and health products" - Saudi Food and Drug Authority, Riyadh 20-22/5/2006.
109. Accreditation and Quality Assurance workshop – KSU, 11-13/11/2007.
110. Conference and exhibition of herbal products –U.A.E. (2008).
111. Conference and exhibition – Arab Health U.A.E. (2008).
112. Head of workshop in the first int. conference on prophetic medicine – Abha (2008).
113. Invited speaker – first intl. conference on wellness industry – Malaysia (2008).
114. Head of session member of the scientific committee-second conf. on wellness industry – Malaysia (2008).
115. Visit and attend workshop in KAUST (2009).
116. Attend workshop about strategic leadership – Dubai (2009).
117. Give presentation about CAM. Tokyo University, Japan (2009).
118. Give presentation in UTM – Malaysia (2010).
119. Head of MEA Regional Pharmacist Meeting – Cairo, Egypt (2011).
120. Attend conference about medicinal and aromatic plants in Casablanca – Morocco (2011).

121. Attend medicinal and aromatic plants Arab Association Meeting, Morocco (2011).
122. Give presentation at International Conference on aromatic Oils – Turkey (2011).
123. Attend antibiotic Conference in Najran (2011).
124. Visit Health Colleges – Najran University (2011).
125. Give presentation at International Conference on Chromatography, Lublin – Poland (2011).
126. Give presentation at 4th International Conference on Biotechnology – Malaysia (2012).
127. Attend Health Authorities Meeting – Hail (2012).
128. Presentation to the Essential Oil Conference – Turkey (2012).
129. Presentation to the Chromatography Conference – Poland (2013).
130. Presentation to the Australian Herbal Society (2013).
131. Attending the meeting of the Deans of Colleges of Pharmacy in Europe – Ankara – Turkey (2013).
132. Presentation to the 44th ISEO Conference – Hungary (2013).
133. Attending the Annual Conference for Natural Supplements – San Diego – U.S.A. (2014).
134. Attending the Scientific Conference in Najran – KSA and Head of a Scientific Session – Patient Safety; King Khalid Hospital (2014).
135. Presentation to the 5th Int. Conf. on Biotechnology – UTM – Malaysia (2014).
136. Attending the 11th Annual Meeting of Nutraceuticals, San Diego, U.S.A. (2014).
137. Presentation to the Conference on Ethnomedicine and Traditional Medicine; Suzhou, China (2015).
