

CURRICULUM VITAE

Biodata

Name: Prof. Khalid M. AlGhamdi
Professor, Department of Dermatology
Consultant in Dermatology, Cutaneous and Laser Surgery
Director, Vitiligo and Melanocyte Research Chair
Director, Skin Surgery Skills Hands-on course

Address: College of Medicine
King Saud University
P.O. Box 240997
Riyadh, 11322
Saudi Arabia

E-mail: kmgderm@ksu.edu.sa
kmgderm@gmail.com

Gender: Male

Nationality: Saudi

Educational Background

Promotion to Professor (2012). College of Medicine, King Saud University, Riyadh, Saudi Arabia.

American Board Certificate in Cosmetic Laser Surgery (2010). American Board of Laser Surgery, United States of America.

Certificate in Statistics for Clinical Trials (2009). University of London, London, United Kingdom

Certificate in Clinical Trials Methodology (Good Clinical Practice) (2009). Clinical Research Center, Ministry of Health, Malaysia in Collaboration with KSU

Certificate in Clinical Trials Methodology (2008). University of London, London, United Kingdom

Licensed as Consultant in Dermatology and Laser Surgery (2006). Saudi Council for Health Specialties, Riyadh, Saudi Arabia.

Board Certificate in Dermatology (2003). Saudi Council for Health Specialties, Riyadh, Saudi Arabia.

Fellowship in Dermatology (2003). Saudi Council for Health Specialties, Riyadh, Saudi Arabia.

Clinical dermatology training at dermatology department (2000-2001). University of McGill, Montreal, Canada.

Certificate of Canadian Medical Evaluation Exam (2000). Medical Council of Canada, Ottawa, Canada.

Bachelor of Medicine and Bachelor of Surgery (1997-1998). College of Medicine, King Saud University, Riyadh, Saudi Arabia.

Honors and Awards:

1- **Best Teacher Award** ,King Saud University Fellowship in Dermatology , accepted from Dean of college of medicine , 2015 .

2- **International Award for Social Responsibility in Dermatology** (For Africa and Arab States), L'Oréal (2015), Vancouver, Canada

3- King Saud University, Intellectual Property and Technology Licensing Program **Award for inventors.** December 2013.

4- **Distinguished Researcher Awards** from Saudi Society for Dermatology and Dermatologic Surgery, November 2013, Riyadh.

5- "**Bronze Medal Award for inventors**" at Malaysia for Invention and Innovation Awards 2012, February 2012, Kuala Lumpur.

6- "**Golden Medal Award for inventors**" at Geneva International Invention Competition, April 2011

7- **Honored as the distinguished inventor award for 2011** accepted from his royal highness, Deputy Prime Minister Prince Naif bin Abdulaziz

8- "**University Award for the Distinguished Researcher and Inventor**" for 2011 accepted from King Saud University Rector, Prof. Abdullah AlOthman

9- **The Honor of Ideal Student for the Whole University 1999.** King Saud University, Riyadh, Saudi Arabia

10- **The Honor of Ideal Student of Medical College 1999.** King Saud University, Riyadh, Saudi Arabia

Interests:

Research:

Dermatology Public Health
Vitiligo
Melanocyte basic science
Laser
Clinical trials
Nail Surgery

Teaching:

General dermatology
Laser
Dermatosurgery Skills
Evidence Based Medicine

Practice:

Laser surgery
Nail Surgery
Minor Skin Surgery
Vitiligo treatment
Cosmetic procedures

Professional Organizations membership

- European Academy of Dermatology –France
- World Academy for Laser Applications
- Saudi Society for evidence based clinical practice (Founding member).
- Saudi Society for evidence based clinical practice (Board member).
- Saudi Society of Dermatology and Dermatologic Surgery.
- International Society for Dermatologic Surgery – Germany.
- European society for Hair restoration Surgery – France.
- Postgraduate training board, College of Medicine, King Saud University, Riyadh.
- Local training committee, Saudi Board in Dermatology, Saudi Council, Riyadh.

Experience/Positions

Professor in Dermatology (2012-Present)

King Saud University, Riyadh
Saudi Arabia

Director of Vitiligo Research Chair (2008-Present).

King Saud University, Riyadh
Saudi Arabia

Director of the King Saud University Fellowship (Postgraduate) training program in Dermatology (2006-2008).

King Saud University, Riyadh
Saudi Arabia

Member of local training committee in Riyadh region (2006-2008).

Saudi Board of Dermatology, Riyadh
Saudi Arabia

Chairman of the training committee of the Dermatology department (2006-2008).

College of Medicine, King Saud University, Riyadh
Saudi Arabia

Licensed as Consultant in Dermatology and Laser Surgery (Since 2006).

Saudi Council for Health Specialties, Riyadh
Saudi Arabia

Active participating tutor in the local dermatology residency training program by giving lectures and morphology sessions as well as supervising journal clubs (2004-Present).

King Saud University, Riyadh
Saudi Arabia

Course director for undergraduate dermatology teaching at the College of Medicine (2004-2005).

King Saud University, Riyadh
Saudi Arabia

Clinical trainer in Facial and Plastic surgery subspecialty fellowship ,College of Medicine , King Saud University (2015-2018).

King Saud University, Riyadh
Saudi Arabia

Training/Skills

Laser training

Certified training and clinical experience in using the following laser, radiofrequency and IPL machines:

- V-beam (vascular laser)
- Gentle lase (hair removal laser)
- Gentle yag (hair removal laser)
- Erb : Yag (resurfacing laser)
- Scleroplus (vascular laser)
- Alex lazer (pigmentary laser)
- Aura-I (KTP) laserscope (vascular and pigmentary)
- Medlite-C6 (vascular and pigmentary)
- Ultra variable pulsed (VPL) system (hair removal and rejuvenation)
- Fraxel (non ablative fractional resurfacing)
- eCo2 (ablative fractional resurfacing-10600 nm)
- Thermage(Radiofrequency)
- FX (ablative fractional resurfacing)
- Spectra VRM (532 and 1064 nm – vascular and pigmentary)
- Accusculpt (laser lipolysis)
- Trio (laser lipolysis)
- Accolade (pigmentary laser)
- Cynergy (vascular laser 595 nmand 1064 nm)
- Fraxel –Restore (non ablative fractional resurfacing)
- Dual Fraxel (1550 nm and 1927 nm fractional resurfacing)

Dermatosurgery training

- Workshop on Advanced Face and Body Sculptring Procedures (Filler),International Anti-aging and Esthetic medicine,26-27 October 2010, Dubai.

- Basic Surgical Skills Workshop (four days), British Society of Dermatologic Surgery, Dundee, United Kingdom, April 2007.
- 9th Live Hair Transplantation Workshop(4 days), European Society for Hair Restoration Surgery, Zurich, Switzerland, May, 2006.
- Regional Anaesthesia Workshop, King Khalid University Hospital Riyadh, Saudi Arabia, Jan 2006.
- Basic operative surgical skills (BOSS) workshop (5 days), security forces hospital, Riyadh, KSA , May 2005.
- BOTOX workshop, 25th Annual meeting of ISDS, Barcelona, Spain, Oct 2004.
- Sclerotherapy workshop, 25th Annual meeting of international society for dermatologic surgery (ISDS), Barcelona, Spain, Oct 2004.
- Electrosurgery workshop 25th Annual meeting of international society for dermatologic surgery, Barcelona, Spain, Oct 2004.
- Hands-on training in plastic surgery OR for 6 months (Feb to July 2004) under supervision of Dr. Sultan Mahmoud (consultant plastic surgeon) in King Khalid University Hospital ,Riyadh ,Saudi Arabia

Other skills

Project management: Certified as project management professional (35 training hours), Riyadh may 2011.

Computer: Masters the different uses and applications of SPSS (Statistical Package for Social Sciences) software.

Languages: Achieved Band 7.5 overall score, Band 8 on listening, Band 7 on Reading, Band 7 on writing, Band 8 on speaking in the International English Language Testing System (IELTS) test (Academic Module) on April 2004.

Scholarly and Professional Activities

- Professor in Dermatology, College of Medicine, King Saud University, Riyadh, Saudi Arabia.
- Clinical Examiner for Saudi board in dermatology since 2006
- Founder and Course director for SSS (skin surgery skills course) since 2011
- Founder and Conference president for COSMOKADINA (update on cosmetic medicine and surgery) since 2015
- Teaching dermatology to undergraduate medical students.

- Since 2008 until now, teaching **Problem Based Learning** subjects to first and second year medical students .In the following modules : respiratory , musculoskeletal , endocrine ,and renal .
-
- Participant in **King Saud University fellowship program for dermatology** through the following activities:
 - Morphology Sessions
 - Book Review
 - Topic presentation
 - Weekly journal Club
 - Weekly clinical Grand Round
 - Clinical teaching in the clinic and in the ward
- Participating in the **Saudi Board Program for dermatology** through the following activities:
 - Morphology Sessions
 - Book Review
 - Topic presentation
 - Weekly journal Club
 - Weekly clinical Grand Round
 - Clinical teaching in the clinic and in the ward
- Participating in the King Saud university **fellowship Subspecialty Program for Dermatologic surgery and Laser** through the following activities:
 - Supervising fellow research
 - Procedure teaching in the clinic
 - Topic discussion in the clinic
- Teaching evidence based Medicine Principles and Practice for Doctors from Dermatology and other disciplines.
- Frequent speaker in Riyadh Dermatology Club meetings.
- Frequent speaker in the national dermatology meetings.
- Frequent speaker in the international dermatology meetings.
- Managing several research projects: epidemiological, clinical and basic science.

Appreciation Certificates

- Certificate of Appreciation for the outstanding contribution and participation in 3rd SAUIDERM dermatology conference , Jan 2020 Makkah, Saudi Arabia
- Certificate of Appreciation for the outstanding contribution and participation in 2nd SAUIDERM dermatology conference , Jan 2019 Riyadh , Saudi Arabia
- Certificate of Appreciation for the outstanding contribution and participation in 1st SAUIDERM dermatology conference , Jan 2018 Jeddah, Saudi Arabia
- Certificate of Appreciation for the outstanding contribution and participation in Cosmokadina conference 2017 .Riyadh, Saudi Arabia.
- Certificate of Appreciation for the outstanding contribution and participation in Cosmokadina conference 2016 .Riyadh, Saudi Arabia.
-
- Certificate of Appreciation for the outstanding contribution and participation in Cosmokadina conference 2015 .Riyadh, Saudi Arabia.
- Certificate of Appreciation for the outstanding contribution and participation in the 12th Pan Arab Conference for dermatology, Dubai, 19-21 April 2011.
- Certificate of Appreciation for participation as speaker and chairman in the Advanced Laser Symposium organized by World Academy for Laser Applications, Dubai, 27 October 2010.
- Certificate of Appreciation for valuable contribution and participation as speaker in LETES 2010 (Laser and esthetic Therapy in Ethnic Skin) ,Riyadh , 16-17 October 2010.
- Certificate of Appreciation for the outstanding contribution and participation in the workshop of "Working Together towards evidence based health practice ". ,Riyadh, 2nd to 3rd June 2010 organized by Saudi Society for evidence based clinical practice (Borhan).
- Certificate of Appreciation for the outstanding contribution and participation in the International medical conference in LASER applications 2010, Riyadh, January 2010.
- Certificate of Appreciation for the outstanding contribution and participation in the 10th GCC dermatology conference, Doha, Qatar, 17-19 December 2009.
- Certificate of Appreciation for the outstanding contribution and participation in the Dubai Derma 2009, Dubai, 26-28 April 2009.

- Certificate of Appreciation for the outstanding contribution and participation in the 3rd Asian society for pigment cell research meeting, Seoul, Korea, 11-13 June 2009.
- Certificate of Appreciation for the outstanding contribution in the Basic and advanced cutaneous laser surgery course, Riyadh, May8, 2008.
- Certificate of Appreciation for the outstanding contribution and participation in the 11th Pan Arab Conference for dermatology, November 2008.
- Certificate of appreciation for giving a workshop on evidence based medicine at King Fahad Hospital, Al-Baha, KSA, August 2008.
- Certificate of Appreciation for the outstanding contribution and participation in the First conference of Cosmetic and noninvasive laser technologies, Riyadh, KSA, June 2007.
- Certificate of Appreciation for the outstanding contribution and participation in the 2nd GCC Evidence Based Clinical Practice Workshop, King Saud University, Riyadh, KSA, March 2007.
- Certificate of Appreciation for the outstanding contribution and participation in the Common Skin Diseases Course, King Saud University, Riyadh, KSA, May 2007.
- Certificate of Appreciation for the outstanding contribution and participation in the 11th National Dermatology Conference, Jubail, KSA, Nov 2006.
- Certificate of Appreciation for the outstanding contribution and participation in the 10th International Dermatology Conference, Jeddah, KSA, March 2006.
- Certificate of Appreciation for the outstanding contribution and participation in the 9th National Dermatology Conference, AlKharj, KSA, Dec 2004.
- Certificate of Appreciation for the outstanding contribution and participation in the 8th International Dermatology Conference, 21-24 March 2004, AlKhobar, Kingdom of Saudi Arabia.
- Certificate of Appreciation as one of the most distinguished participants in extra-curriculum activities, King Saud University, Riyadh. 1999.
- The honor of Ideal Student for the Whole University, King Saud University, Riyadh. 1999.
- The honor of Ideal Student of Medical College, King Saud University, Riyadh. 1999.
- Certificate of Distinction for Final Year of High School. Directorate of Education at Al-Baha Region, Ministry of Education, KSA, 1993.

-

Research Activities and Publications

Ongoing projects :

1) *From medical herbalism to phytotherapy for vitiligo: Comprehensive study of selected Saudi medicinal plants for their activity on proliferation rate and melanogenesis in human melanocyte.* (RC15/133/R, King Abdullah International Medical Research Centre, Ministry of National Guard-Health Affairs).

2) *Effects of low level lasers on the proliferation, differentiation and calcium deposition of human embryonic stem cells derived mesenchymal stem cells.* (NPST; Project ID: 13-MED1390-02).

3) "Effects of Glutathione with nanoparticles on normal human cultured melanocytes and on guinea pig"

4) "Effects of Oxytocin on normal human cultured melanocytes"

5) "Screening of medicinal plant extracts on normal human cultured melanocytes"

6) In vitro cytotoxic side effects of willow crude leaf extracts against cancer cell lines.

Publications

Total 70 publications till 2020-02-15

Safety and efficacy of parenteral glutathione as a promising skin lightening agent: A controlled assessor blinded pharmacohistologic and ultrastructural study in an animal model.

AlGhamdi KM, Kumar A, Al-Rikabi AC, Mubarak M.

Dermatol Ther. 2019 Dec 29:e13211.

Nano-erythrocyte membrane-chaperoned 5-fluorouracil liposomes as biomimetic delivery platforms to target hepatocellular carcinoma cell lines.

AlQahtani SA, Harisa GI, Badran MM, **AlGhamdi KM**, Kumar A, Salem-Bekhit MM, Ahmad SF, Alanazi FK.

Artif Cells Nanomed Biotechnol. 2019 Dec;47(1):989-996.

Effect of neat and binary vehicle systems on the solubility and cutaneous delivery of piperine.

Alomrani AH, Alhazza FI, **AlGhamdi KM**, El Maghraby GM.

Saudi Pharm J. 2018 Feb;26(2):162-168.

Prepubertal and postpubertal vitiligo: a multivariate comparative study in 375 patients.

Khurram H, **AlGhamdi KM**.

An Bras Dermatol. 2017 Nov-Dec;92(6):811-815.

Vascular sclerosing effects of bleomycin on cutaneous veins: a pharmacopathologic study on experimental animals.

AlGhamdi KM, Kumar A, Ashour AE, Al-Rikabi AC, AlOmrani AH, Ahamed SS.

An Bras Dermatol. 2017 Jul-Aug;92(4):484-491..

The welcoming attitude of dermatologists towards complementary and alternative medicine despite their lack of knowledge and training.

AlGhamdi KM, Khurram H, Asiri Y.

Saudi Pharm J. 2017 Sep;25(6):838-843.

Evaluation of patch test reactivities in patients with chronic idiopathic urticaria.

AlGhamdi KM, Khurram H, Gad Al Rab MO.

Cutis. 2017 Jun;99(6):E27-E32.

Multivariate Analysis of Factors Associated with the Koebner Phenomenon in Vitiligo: An Observational Study of 381 Patients.

Khurram H, AlGhamdi KM, Bedaiwi KM, AlBalahi NM.

Ann Dermatol. 2017 Jun;29(3):302-306.

Knowledge, attitudes and practices of the general public toward sun exposure and protection: A national survey in Saudi Arabia.

AlGhamdi KM, AlAklabi AS, AlQahtani AZ.

Saudi Pharm J. 2016 Nov;24(6):652-657. Epub 2015 Apr 27.

Ultra-structural effects of different low-level lasers on normal cultured human melanocytes: an in vitro comparative study.

AlGhamdi KM, Kumar A, Al-Ghamdi A, Al-Rikabi AC, Mubarek M, Ashour AE.

Lasers Med Sci. 2016 Dec;31(9):1819-1825.

C-punch excision: a novel technique.

AlGhamdi KM.

Int J Dermatol. 2016 Oct;55(10):1154-6.

Screening of Glaucoma or Cataract Prevalence in Vitiligo Patients and Its Relationship With Periorbital Steroid Use.

Khurram H, AlGhamdi KM, Osman E.

J Cutan Med Surg. 2016 Mar-Apr;20(2):146-9.

The Relationship Between the Serum Level of Vitamin D and Vitiligo: A Controlled Study on 300 Subjects.

Khurram H, AlGhamdi KM.

J Cutan Med Surg. 2016 Mar-Apr;20(2):139-45.

AlGhamdi KM, Kumar A, Ashour AE, AlGhamdi AA. A comparative study of the effects of different low-level lasers on the proliferation, viability, and migration of human melanocytes in vitro. Lasers Med Sci. 2015 Jul;30(5):1541-51
