Introduction to Engineering Design
College of Engineering
King Saud University

Studio 8.

2\textsuperscript{nd} Oral Presentation
(Problem Formulation)

SPRING 2016
Brief advices

• Each group has 10 minutes to present their problem formulation
• Groups must use the time properly
• Speak slowly with a high tone
• Establish eye-contact with audience
• Maintain professional group dynamics with your team members
• Properly manage the question session
• Plan where everyone will stand and who will say what
• Follow your group leader’s instructions
